FACULTY

Dear Graduates of the Class of 1977,

You approach the culmination of secondary school in a time of economic distress, political uncertainty and social upheaval. The questions before us in this last half of the twentieth century have implications for your children and the world of the next century.

High School is a time of passage — from the late years of childhood to the early years of adulthood. While the realities of the world must be dealt with, we hope that you have taken the time to enjoy these years of some reduced responsibilities. It is important to take time to enjoy life, to know the pleasure of different activities, to share the many unique qualities of friends.

Our school has changed during your period of life at South Brunswick High School. It appears that there was a need to bring dignity and worth back to achievement. It also appears to have been necessary to assist young people to understand their rights and responsibilities as members of a larger group. Your class has grown tremendously. In doing so you have brought a new spirit to our school. That is a gift we will enjoy for years ahead.

We at South Brunswick High School are a family of people. We at South Brunswick High School believe that people can make a difference. We at South Brunswick High School have reason to be proud of our school and the people who make it a special place.

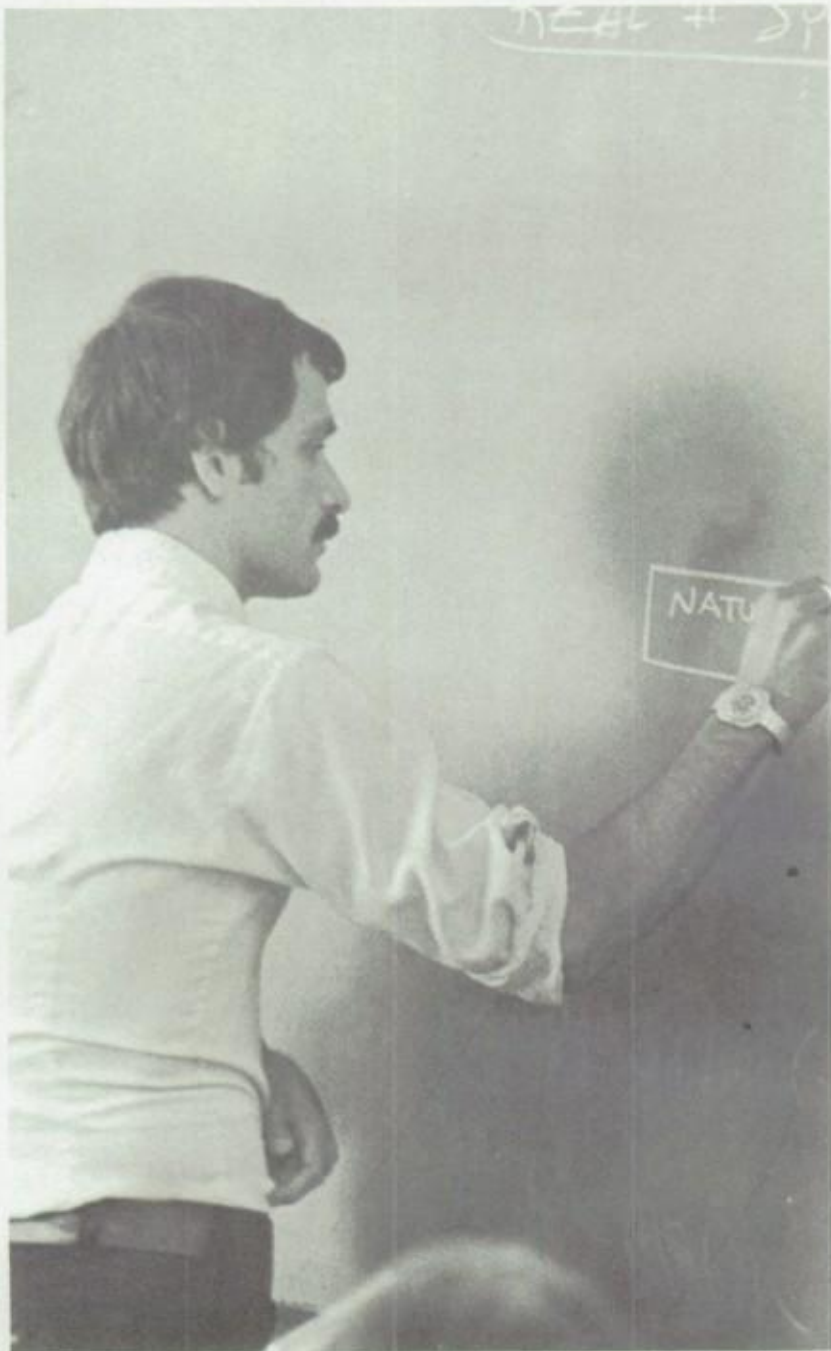

It is in your hands to create a tomorrow equal to the dreams of our ancestors and worthy of our children.

Best wishes,

Richard A. Kaye

STAFF

These next pages contain the pictures of the S.B.H.S. staff. These teachers, guidance counselors, secretaries, CIPED personnel, custodians, librarians, cafeteria aides and administrators form one large group who work together with the students to provide a learning experience with both immediate rewards and potential realizations.

The strike which occurred on January 3, 1977 and lasted until an agreement was reached on Jan. 21, 1977, disrupted the school for awhile, but now that the students and teachers have returned to the schools, and everything is back to normal, the school continues to function as one cohesive unit. Following are those who make our school work.

The Varsity Football team showed great determination and pride throughout the season.

This year's Viking Football Team started out with three big wins. Head coach George Bossow and assistant coaches Harold Brewer, Santo Bonfilio, and Bill Hewitt gave great encouragement to the team.

Tom McFerrin and Greg Richardson showed great running ability, and Rich Nasdeo's outstanding passes to Dennis Johnston were a great combination throughout the season.

Tackles John Salvatore and Tom Dardani, linebackers Ben Grover and Eugene Parker, Defensive ends Jimmy Hopkins and Charles Harvey spearheaded the Viking defense.

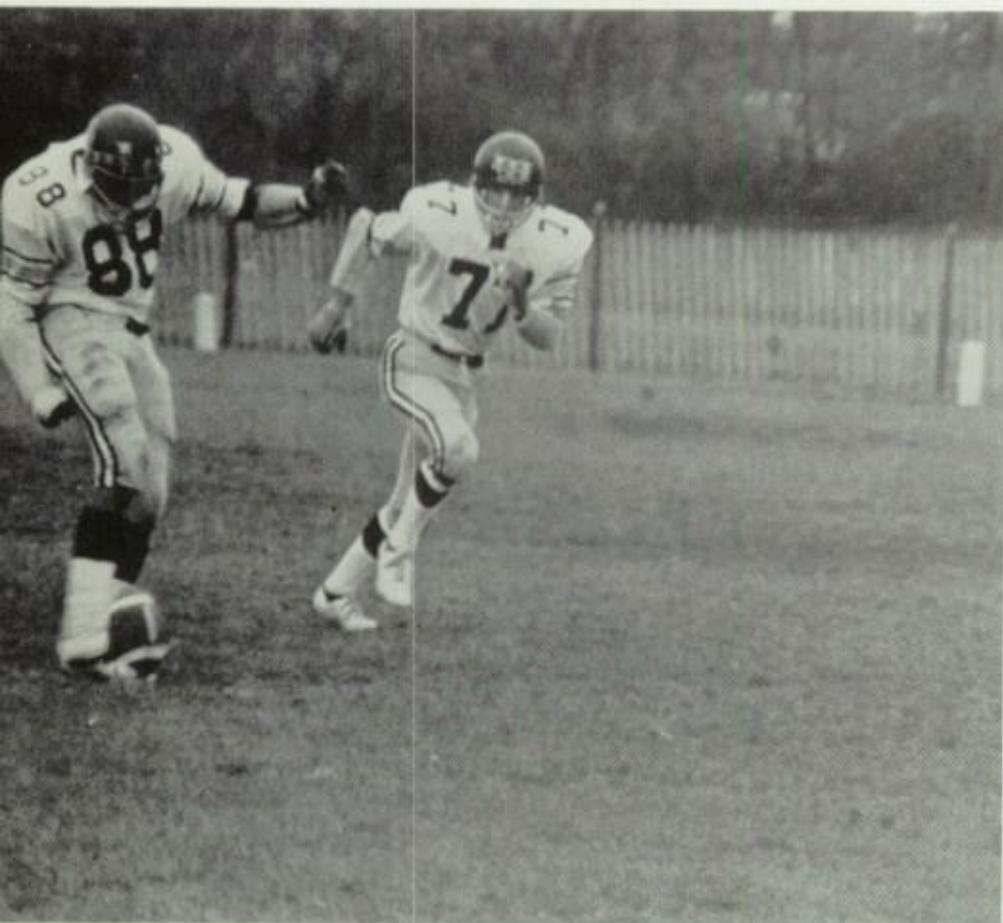

The team felt a loss without the support of Captain Jan Blazewski, who was injured early in the season.

The spirit of seniors Forbes, Nasdeo, Hopkins, Blazewski, Buser, Cleffi, Austin, Pemberton, Richardson, Gibson, and Smith will be remembered through the Vikes next season.

Rich Nasdeo, Ben Grover, and Dennis Johnston can be proud of the accomplishments which brought them the All County Title.

A Winning Season for Soccer

The Varsity soccer team had an outstanding record of 13-4, the best record of all the fall sports. In the county tournament the Vikings were seeded 7th and came in third. Freshman Activities

For every great team there is always a beginning. And this year the freshman football team made their start. They concluded the season with a 3-6 record, which with a lot of hard work and dedication hope to improve in the 3 years to come. The team shows promise with David Fears, the team's best back, and Richard Van Pelt, an outstanding lineman. We wish them the best of luck in their J.V. and Varsity years.

Football and Soccer

The freshman soccer team compiled a 7-8 record, which was the best record in 5 years! The team started slowly but with hard work and experience won 3 out of best 4 games. Outstanding members of the team were Allan Lord, Steve Hyrs, Leo Narava, Steve Craig, Chris Miller, Eddie Burke, and John Sloan.

Girls Tennis and Cross Country

Show Skill and Ability

The South Brunswick Girls' tennis team under the direction of first year head coach Walter Titterington, compiled a 7-12 record and a 6-4 mark in the Bicentennial Athletic Conference.

The squad consisted of Lorraine Crossen, first singles, Lisa Bair, second singles, Patty Thompson, third singles.

The doubles teams were Lisa Anderson and Lori Sansiper, and Margie Wachtel and Patty Sullivan.

South Brunswick's biggest win during the 19 game season was over the Hun School of Princeton 3-2.

"It was a very frustrating season," said Titterington, "We lost six matches by the score of 3-2, and in tie-breakers in the third sets, but the girls improved greatly over the course of the season and showed a great deal of enthusiasm."

Next year's season looks better for South Brunswick with the return of 4 varsity letter winners.

Spirit and Effort Inspire Girls Field Hockey

The 1976 Field Hockey Team compiled its best record in South Brunswick school history. Finishing the season with a 8-4-2 record, including wins against Manville, Lawrence, Highland Park, Sayreville, South River, J.P. Stevens, and Madison. The team was seated first in both the county and the state tournaments and went to the second round in each, losing to Metuchen 1-0 in the counties and to Monmouth Regional 2-0 in the states. Despite the loss of both titles, two new school records were set by Janet Kroeper and Joan Dowgin, scoring 9 goals each for the season.

Coach Huschke and the returning members of the varsity squad are looking forward to 1977 and hopefully the development of a conference championship in Field Hockey with the addition of the sport to conference schools.

Varsity Basketball Compiles Best Record Ever

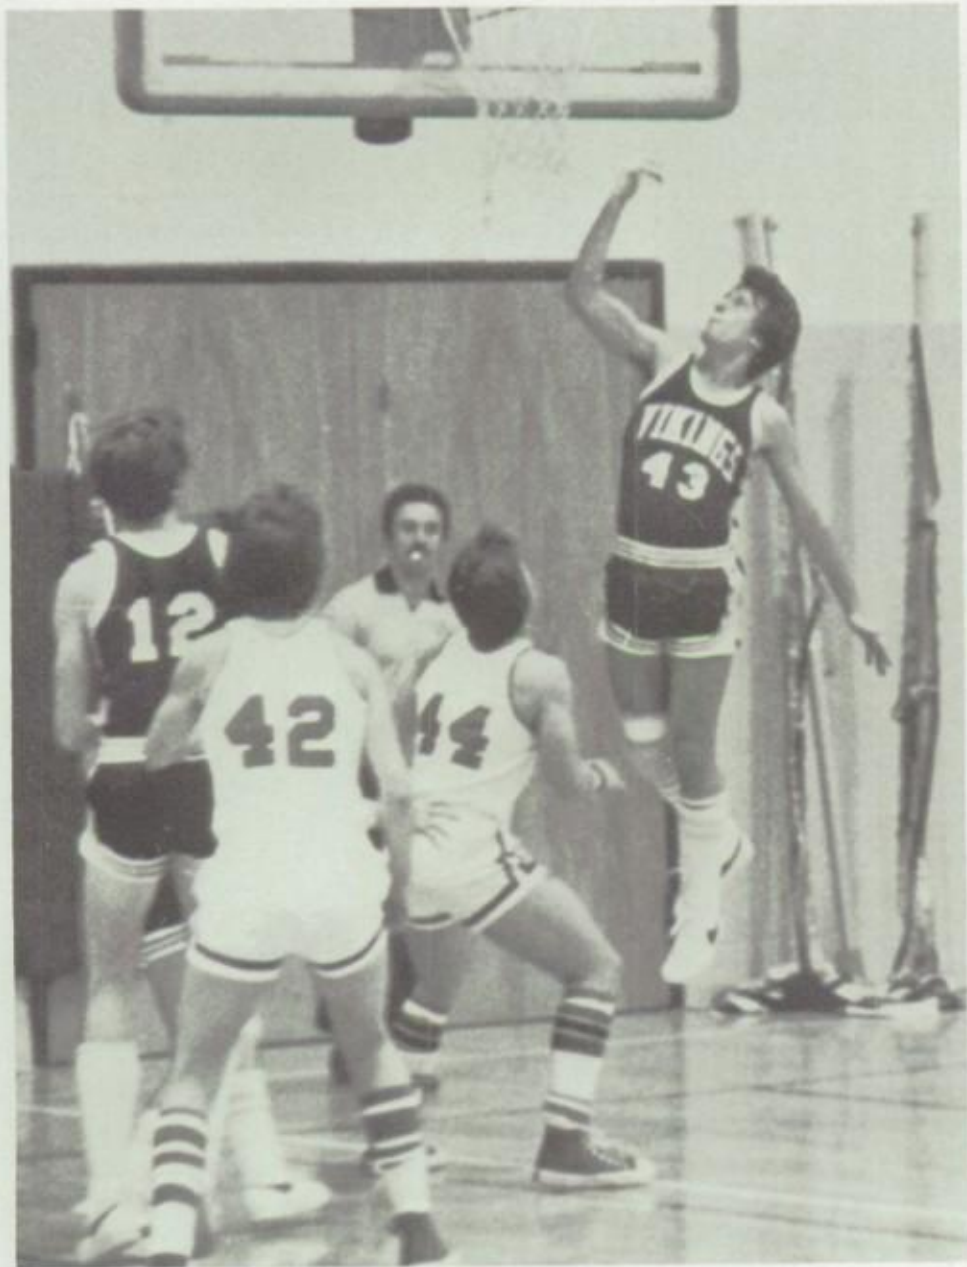

The Varsity Basketball team showed great determination and ability. Captain Jan Blazewski led the team in a successful record of 17-2. The team worked together and showed dedication and talent throughout the season. The leadership and hard work of Coach Balcomb encouraged the team, which led them to the tournaments. The five starters on the team were Jan Blazewski, Al Balcomb, Greg Berger, Dennis Johnston and Tony Scism, which led the team to their successful full year. Greg Berger showed outstanding ability with his average of 16 points per game.

Seniors — Tony Perez, Ted Gaillard, Jeff Palmer, Jim Hopkins, and Jan Blazewski, Greg Berger.

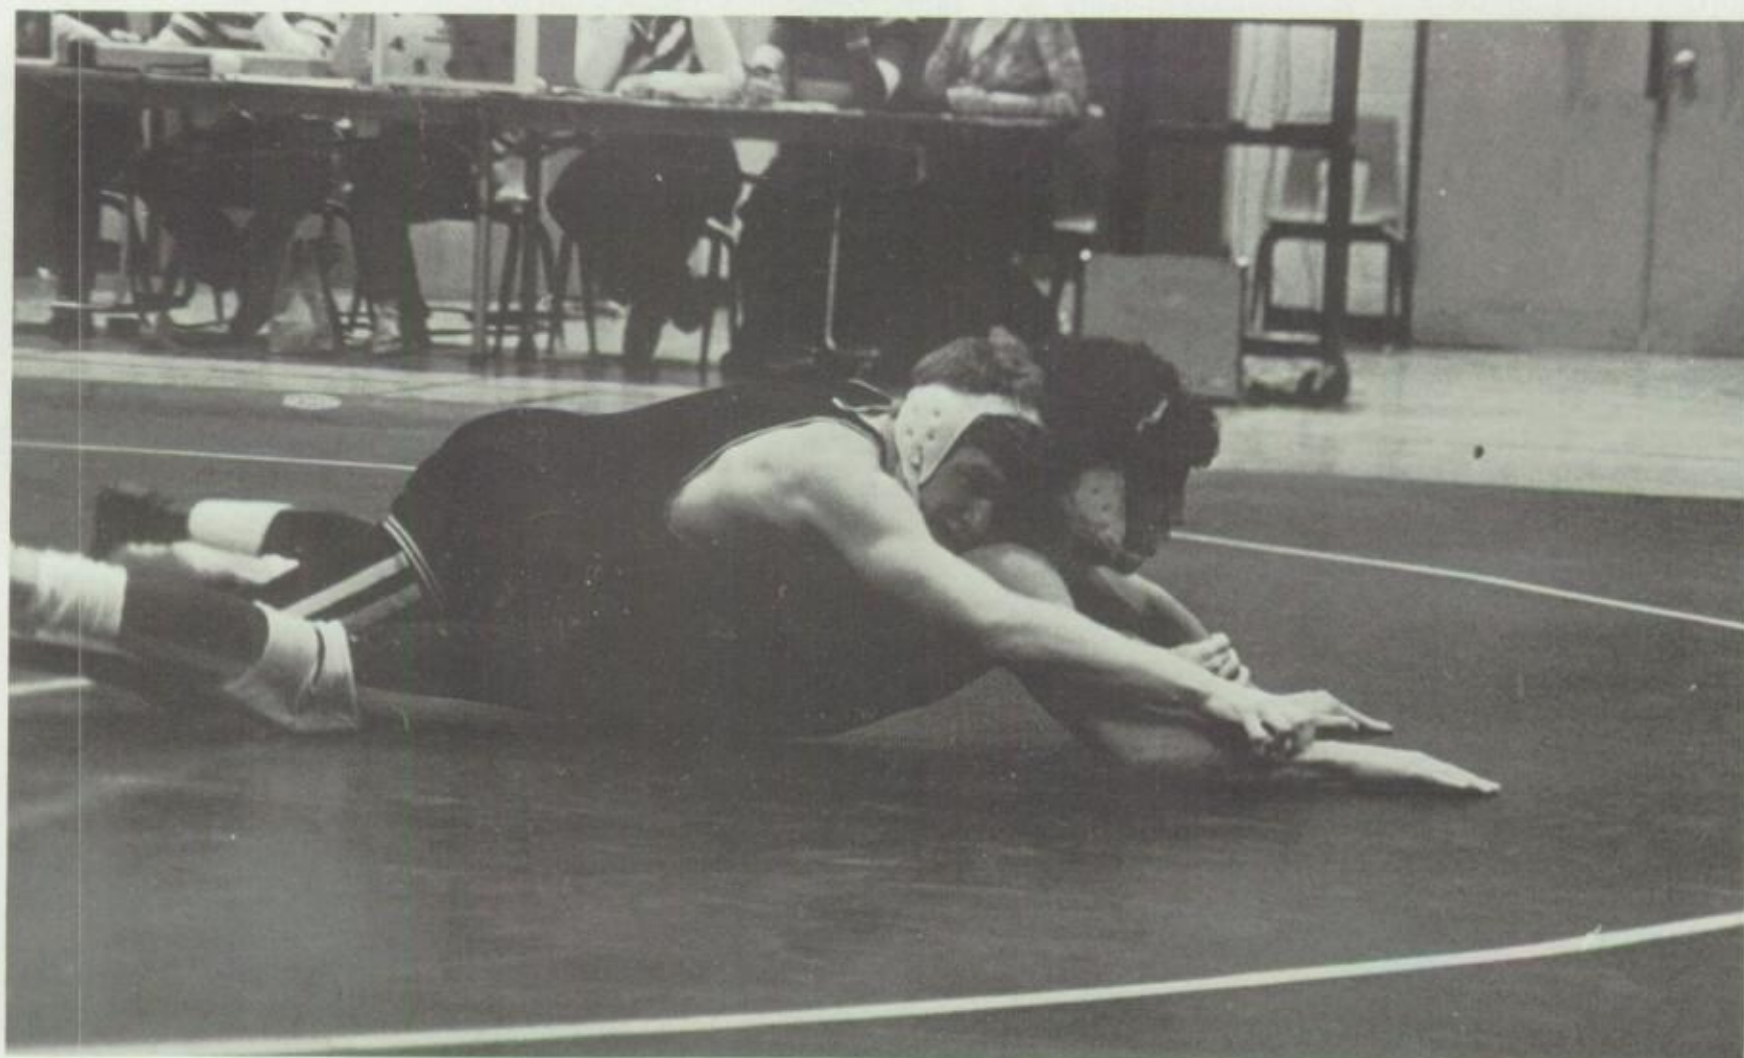

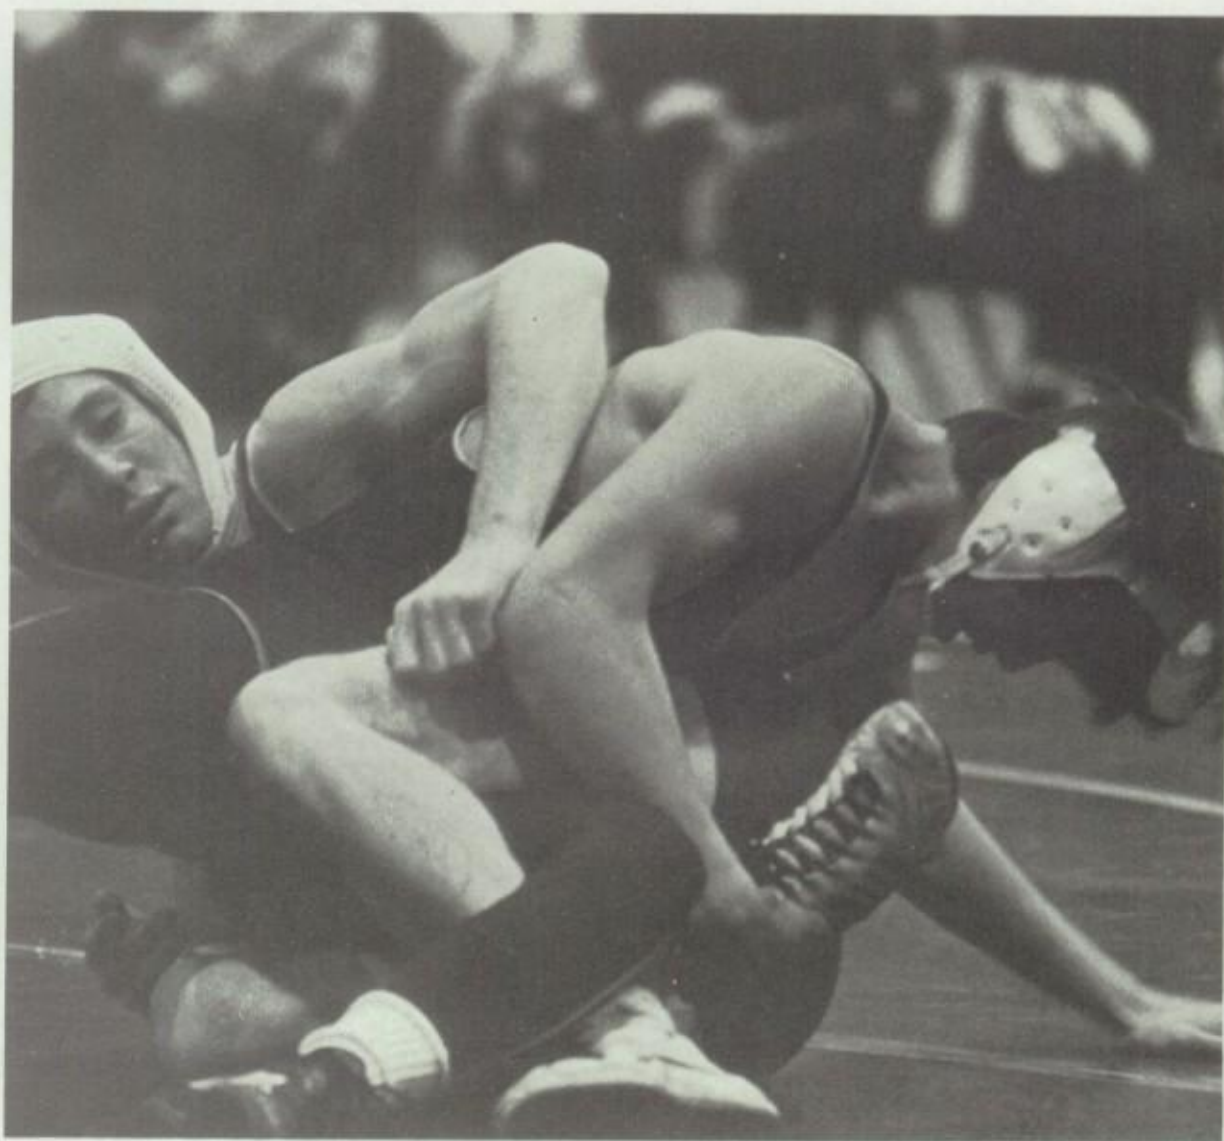

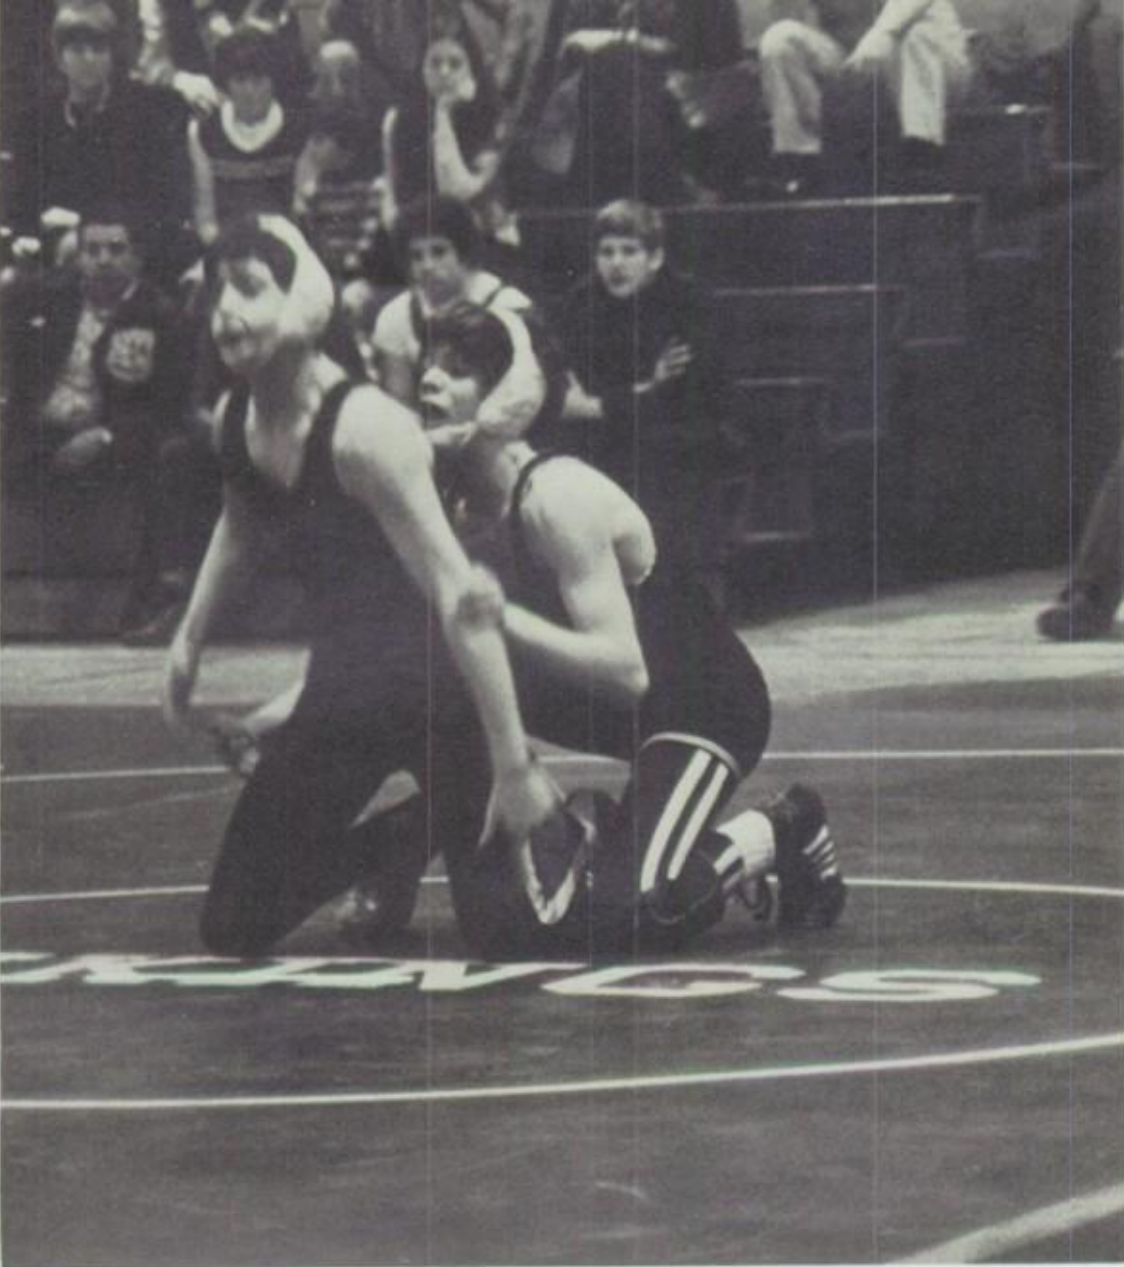

The J.V. Basketball team ended its season with a disappointing record of one win and 15 losses. In spite of this, the team showed great dedication and pride. Captains John Burke and Todd Davis provided leadership to the team throughout the season. Tom Sullivan, Ed Adamko, Ray O'Brien, and Rich Lannew started each game with spirit and determination and led the team to many near-victories. Coach Hewitt hopes for a better record next year and feels that this year's J.V. team showed promise of good things in the future.

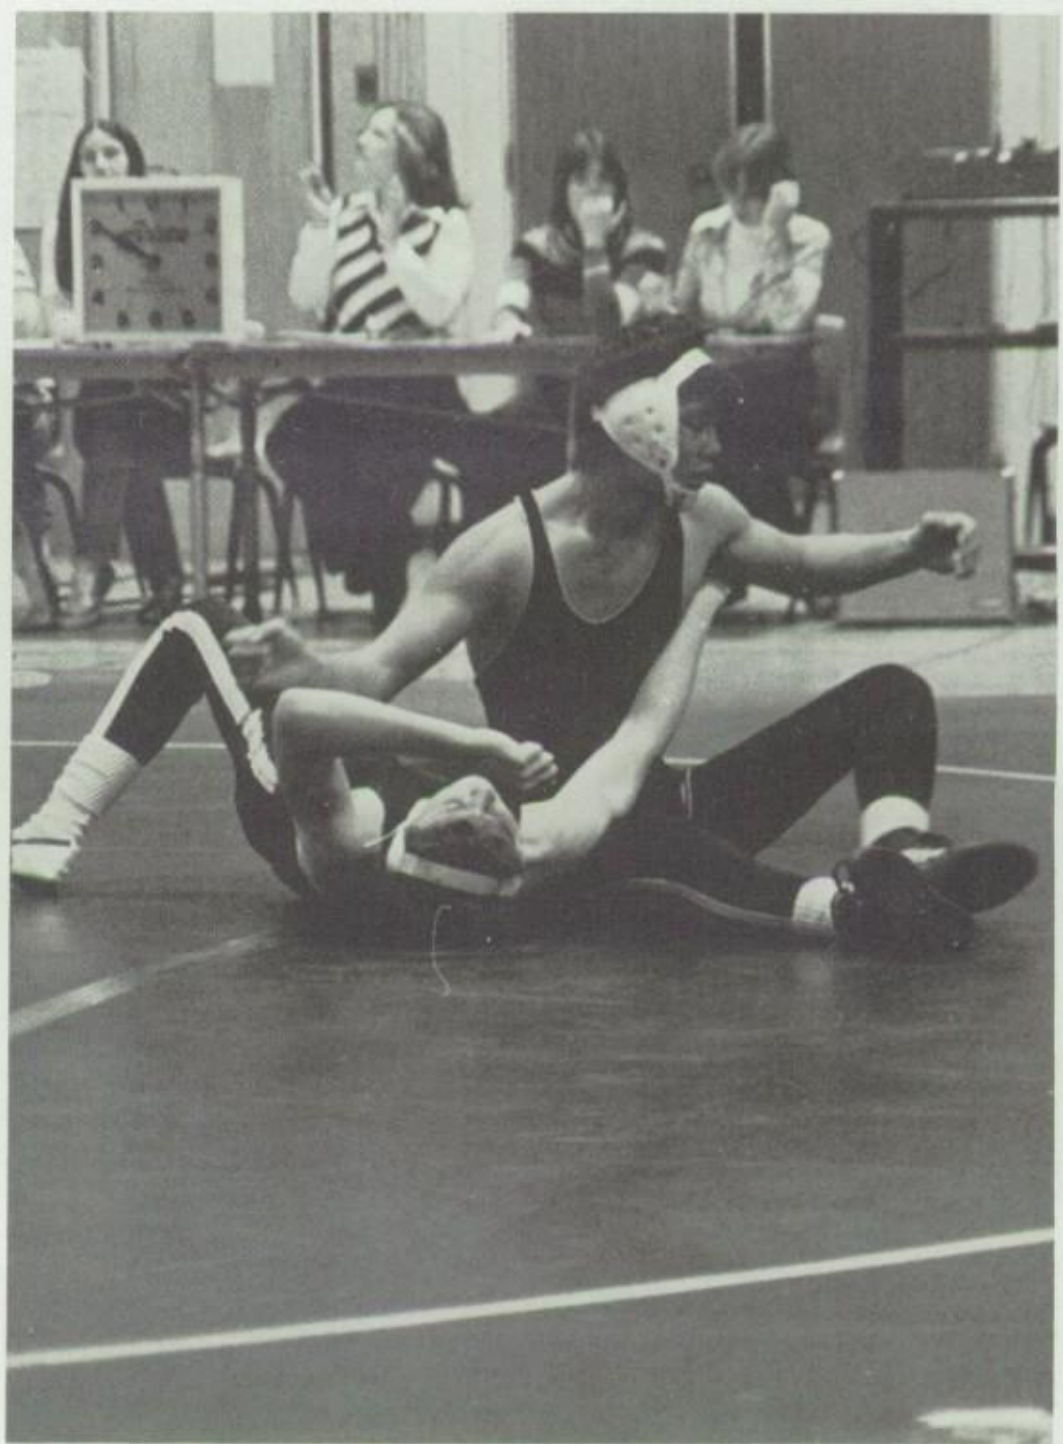

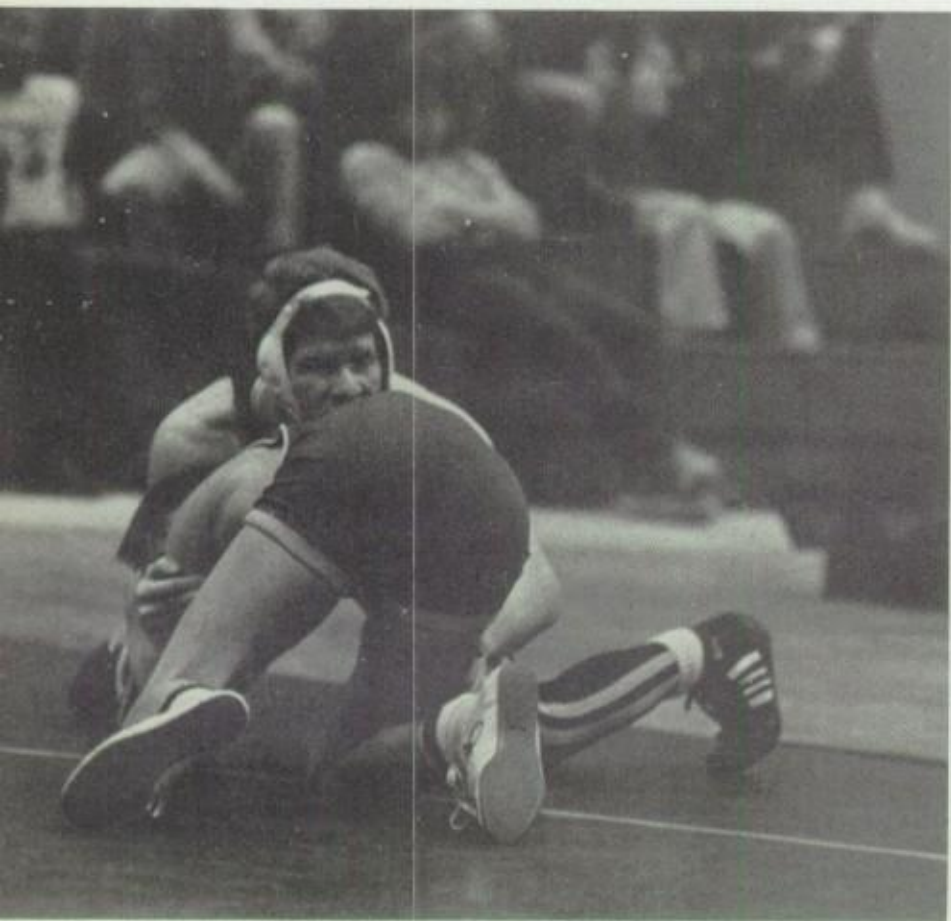

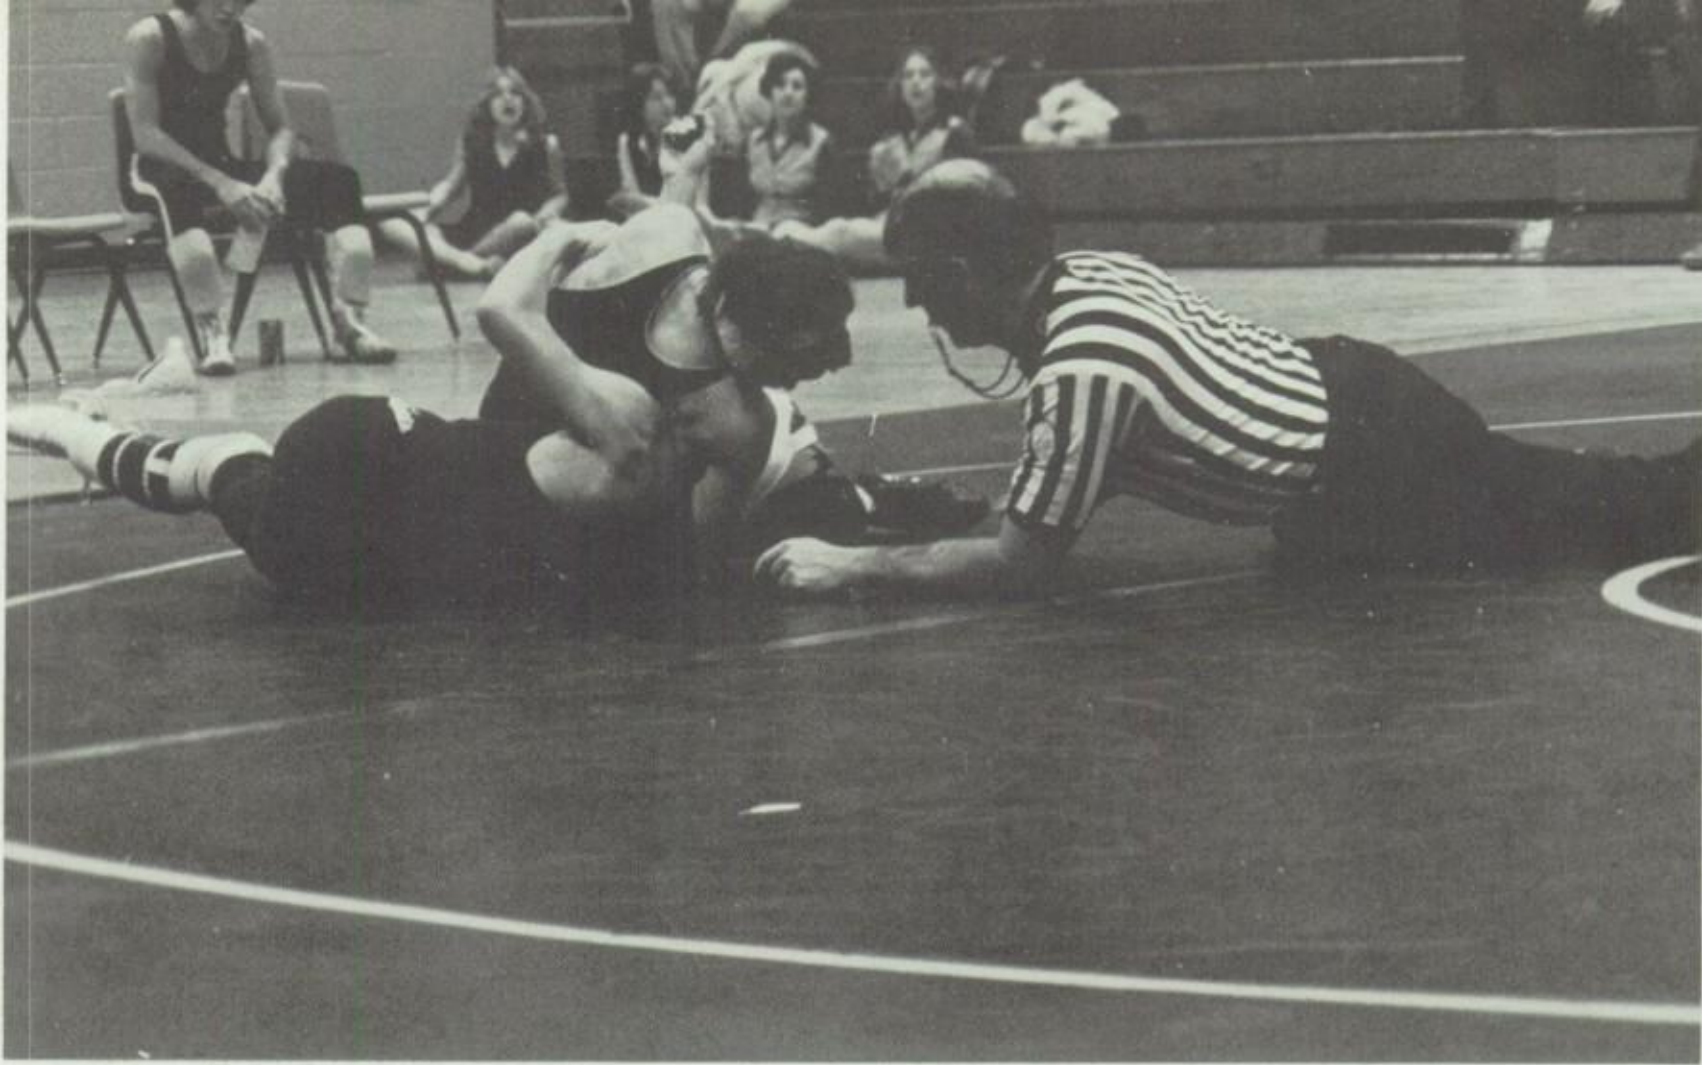

Wrestlers Show Skill and Determination

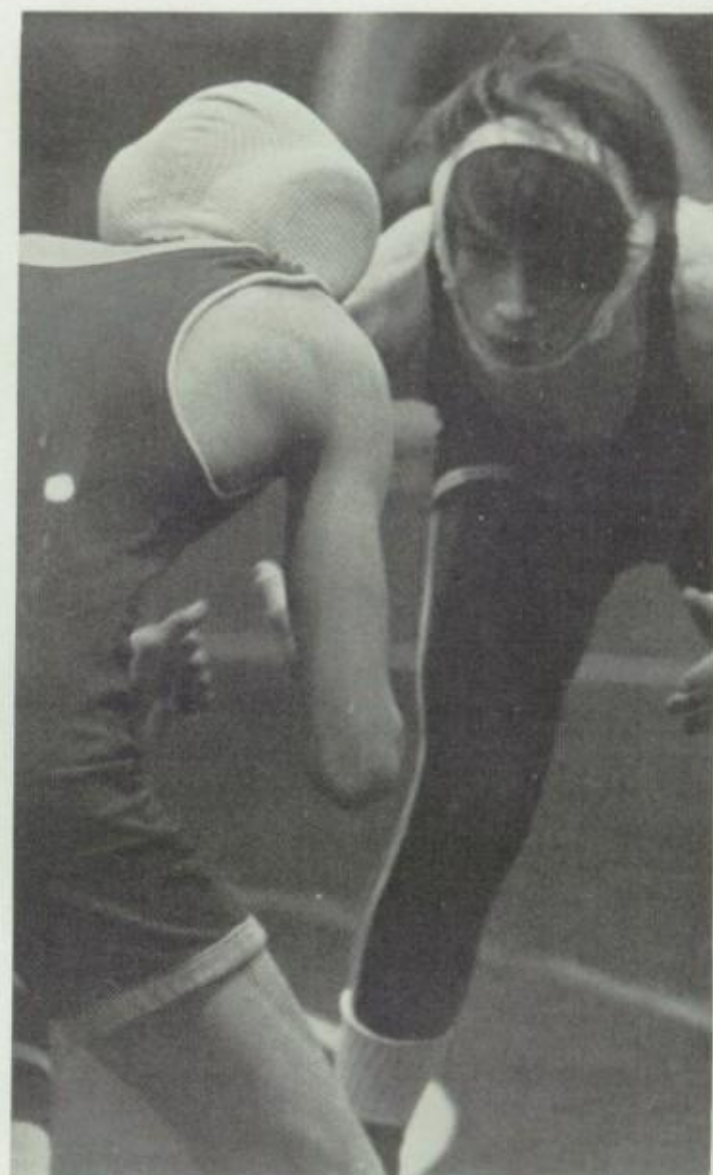

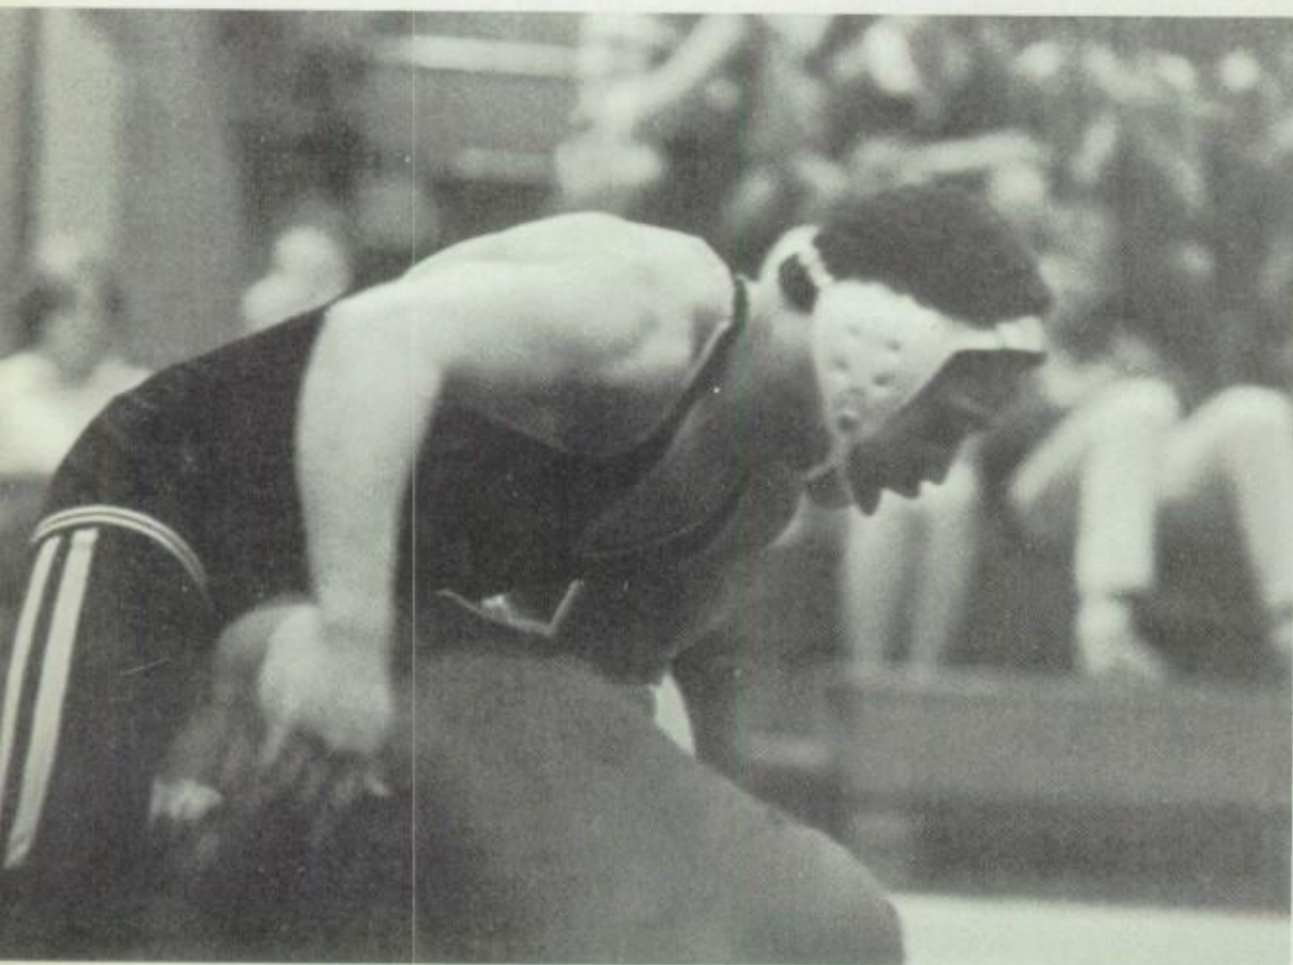

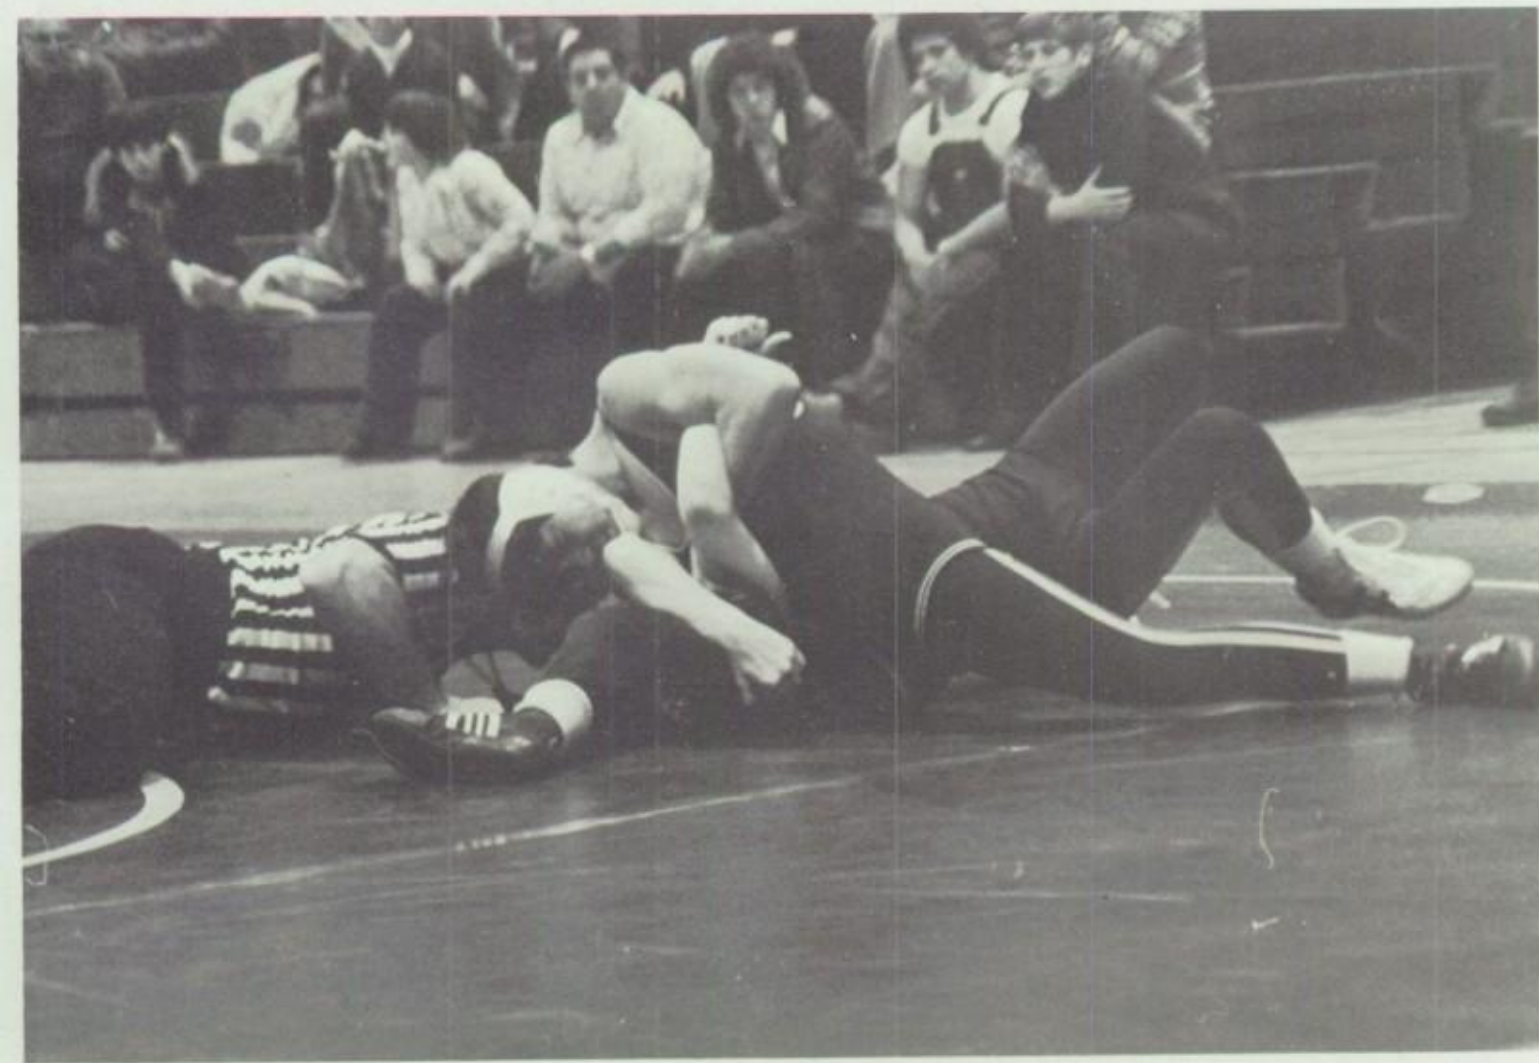

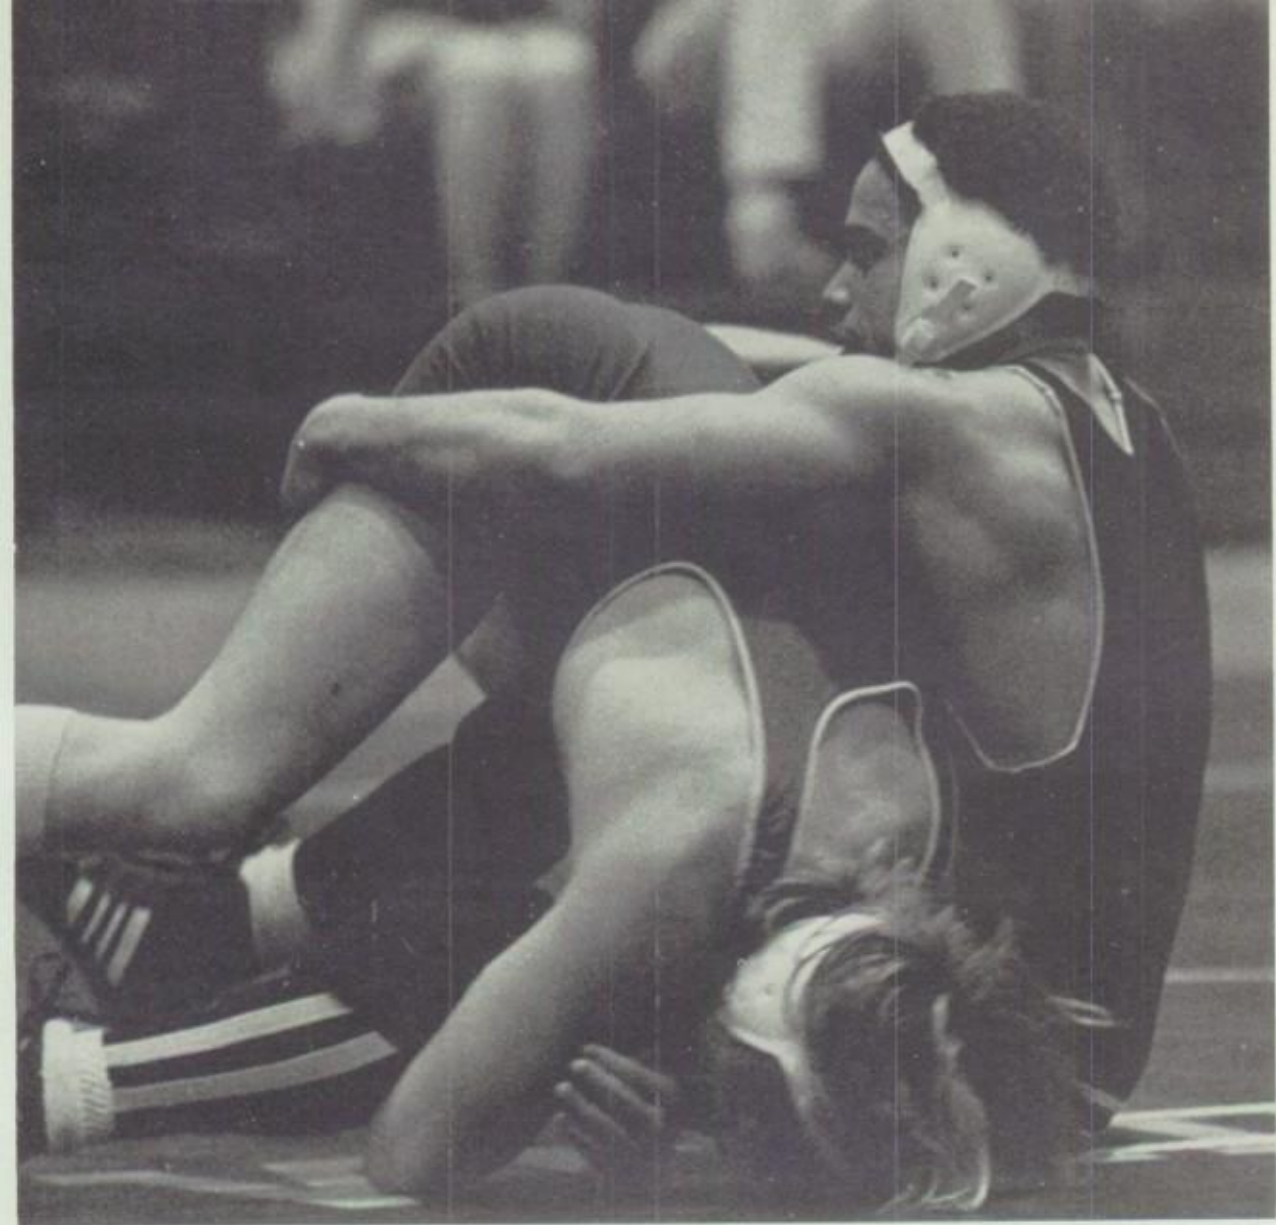

The Varsity Wrestling team compiled a record of 8-3. Captains Jeremy Rubenstein and Sam Geller led the team to a winning season. The team showed great effort and determination throughout the season. Ben Grover, Tom McFerrin and George Fears were in the district and regional Tournaments. Coach Nytrai was proud of the team's accomplishments. Seniors Jim Zinsmeister, Dave Conover, Sam Geller, Jeremy Rubenstein, and Joe White will be remembered for their performances.

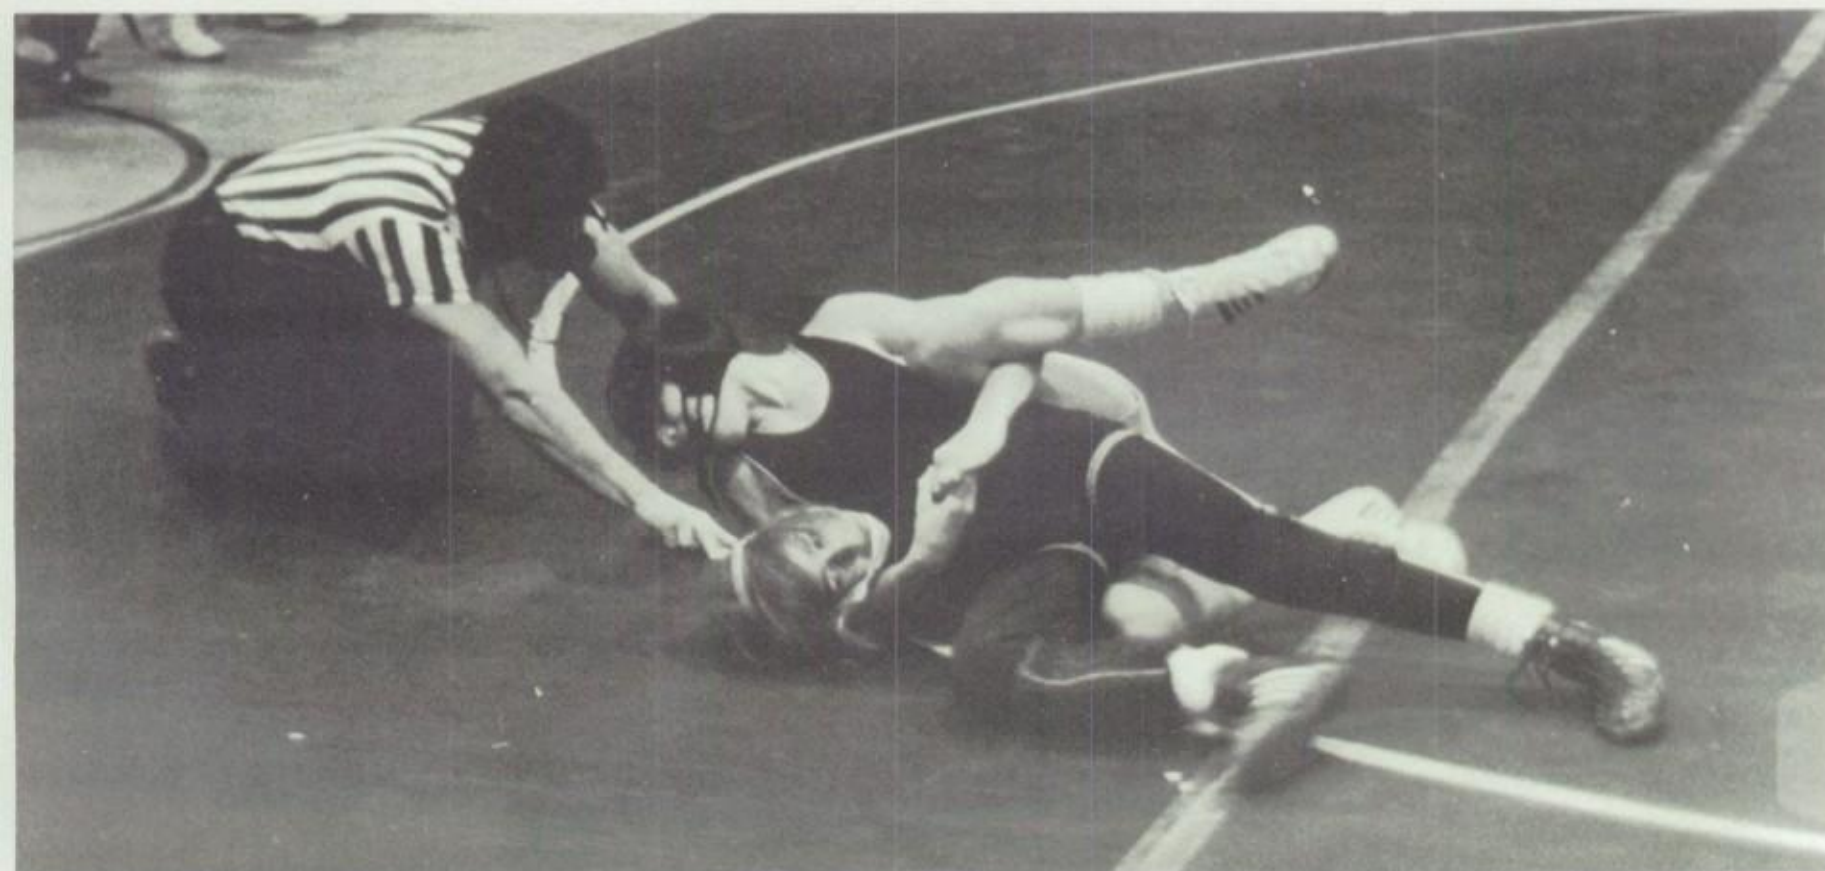

Freshmen

Although the Freshman Basketball Team suffered through a disappointing 1-16 season, their spirit never died. Led by Coach Jones and John Sloan, the team worked hard throughout the year and showed great improvement. Scoring was led by Jeff Gyarmati and the defensive was held down by Eddie Burke. Other outstanding players on the team included Greg Gyarmati, Ray Trent, and Steve Hvrce.

Winter Sports

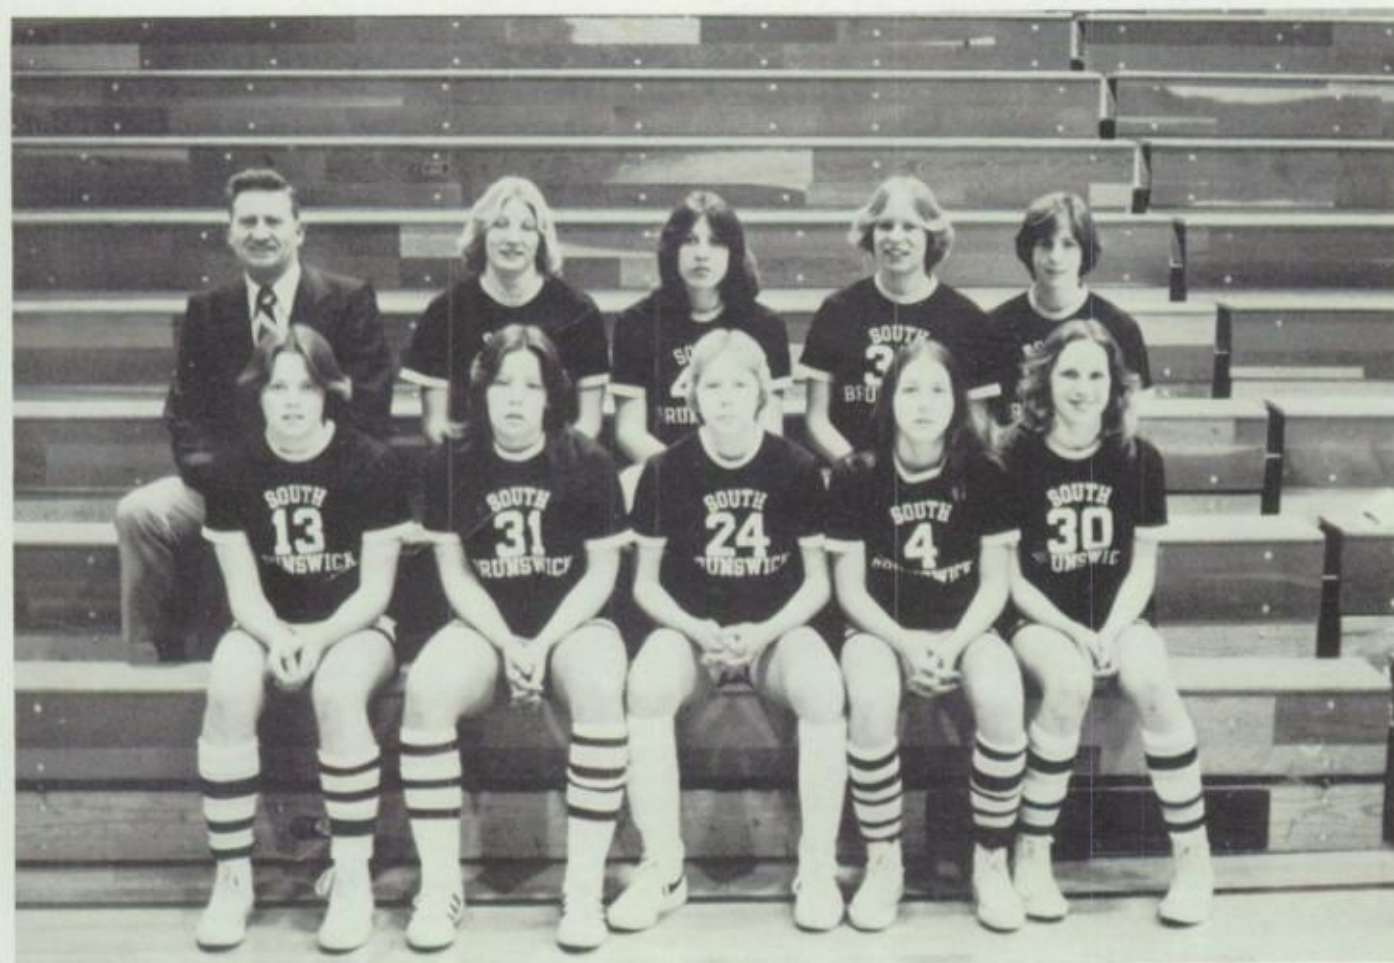

A team's performance should not be judged by its record alone, but by the caliber of the people who participated on it. The Freshman Wrestling Team demonstrated tremendous courage and steadfastness, fighting with only eight members against teams that were often of twice that number. Outstanding records were developed by David Fears, Steve Craig, Keith Schnitzler, and Jeff Hans.

Girls Varsity Basketball Team

This year's Girls Varsity team compiled a record of 12-7. The girls showed determination and ability throughout the season. The five starters were Patty Thompson, Helen Faulkner, Lisa Burke, Wendy Prouty and Patty Kukfa.

Patty Thompson was the leading rebounder. Captain Wendy Prouty and Co-captain Helen Faulkner led the team in spirit. Wendy was the leading scorer and Helen was the leading playmaker and assist leader. Coach Hosea is proud of the girls accomplishments this year and has high hopes for an equally good record next year. Seniors Patty Thompson, Wendy Prouty, and Helen Faulkner will be remembered for their successful year.

Girls J.V. Basketball Team

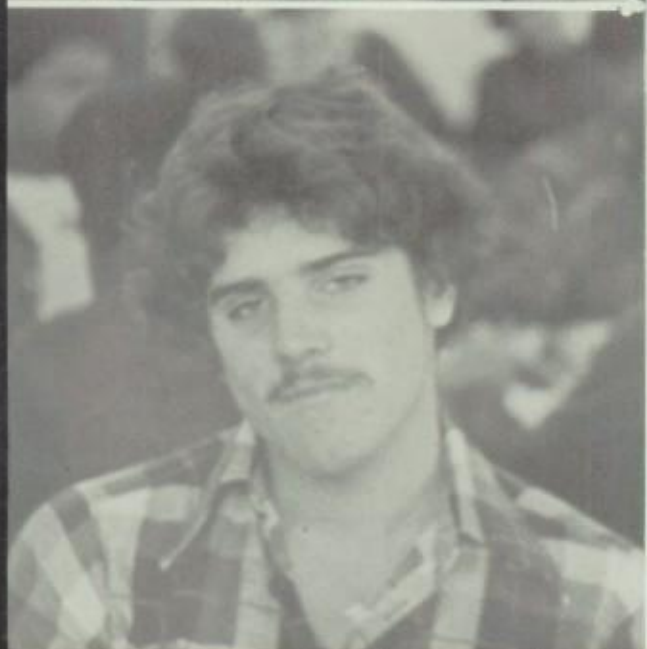

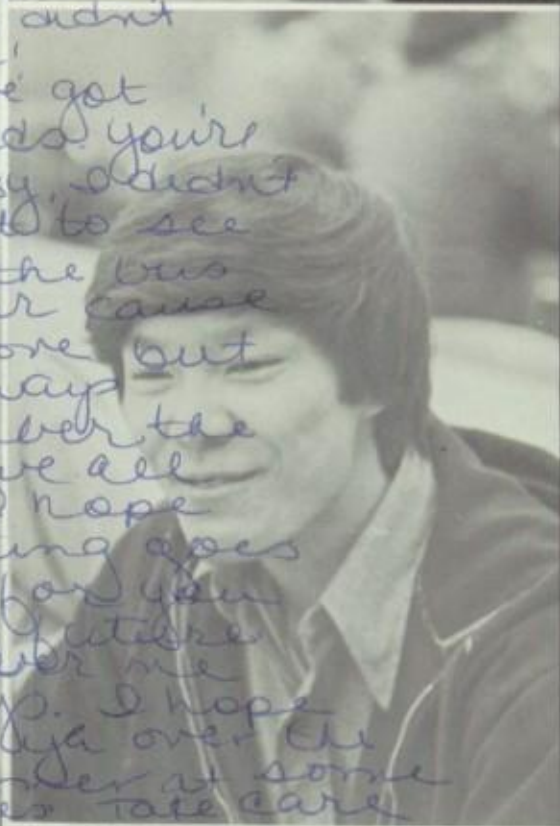

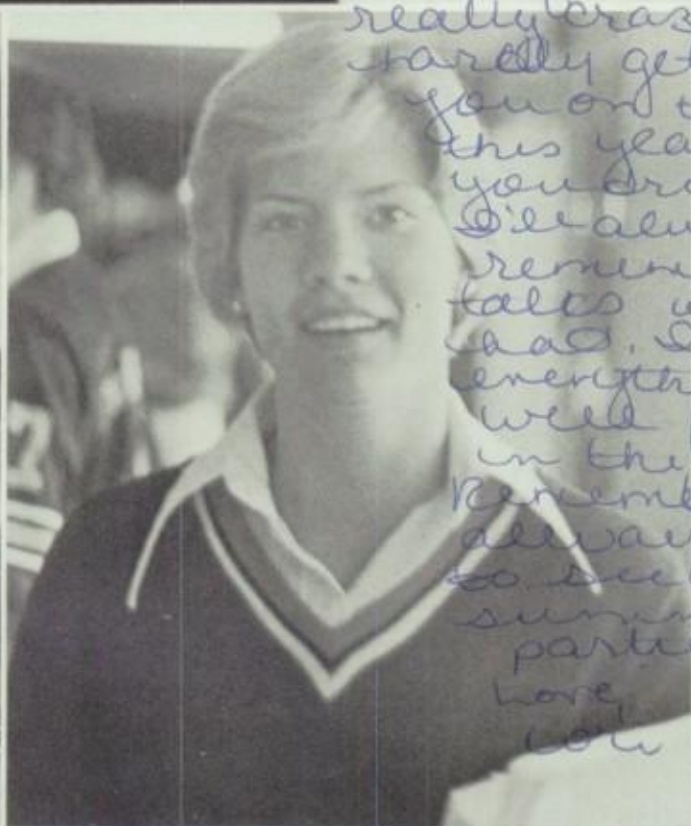

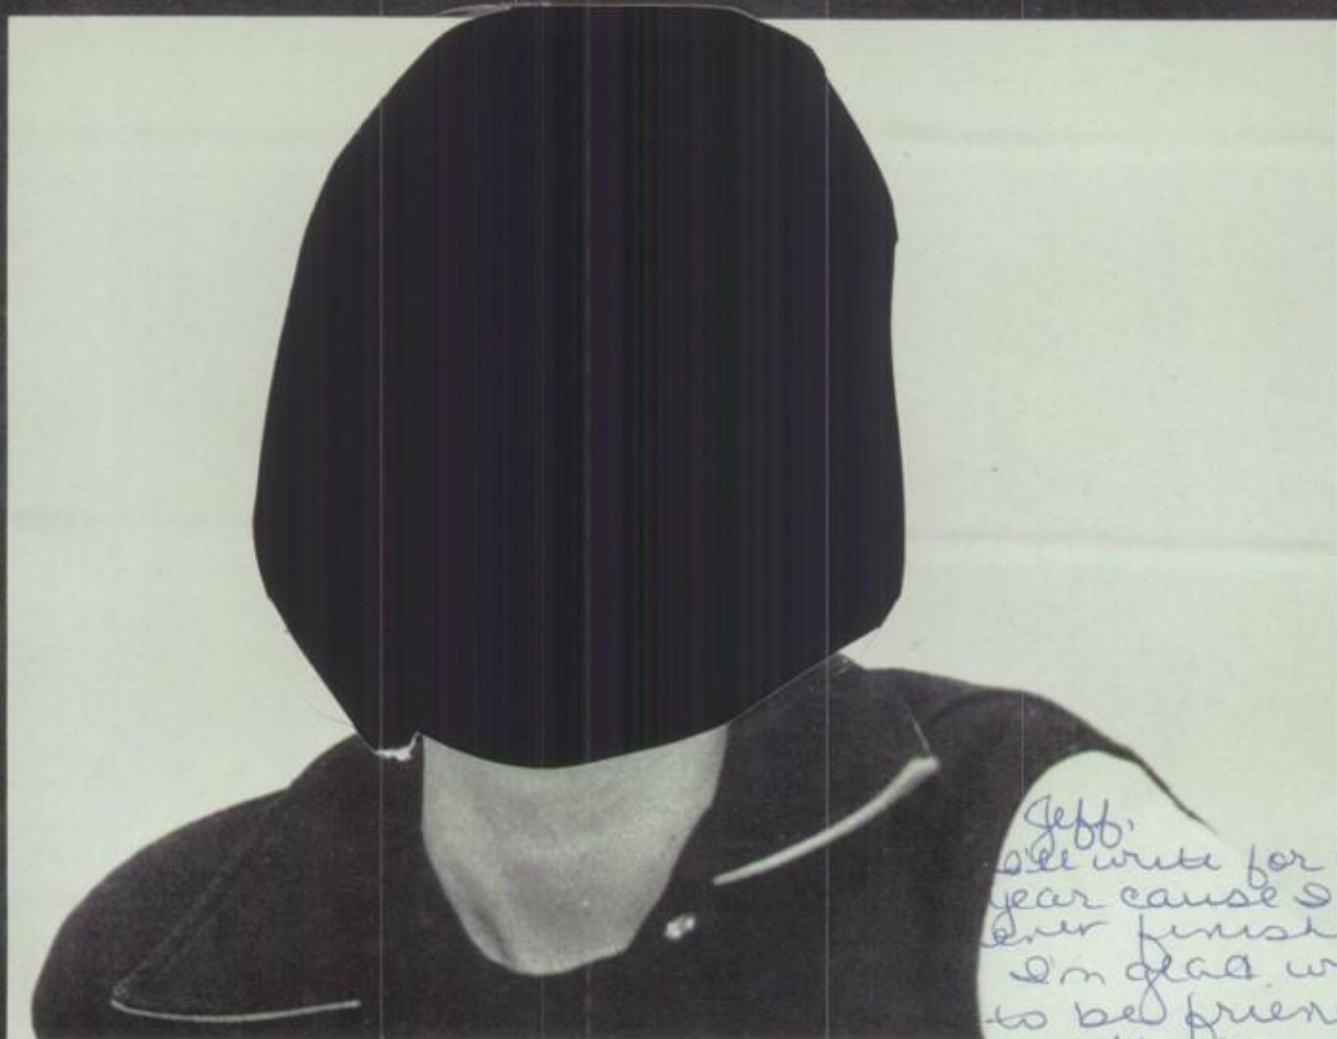

Under the leadership of head coach Carolyn Smith, the girls J.V. Basketball team fought their way to a 5-11 record. Captain Dana Forbes led the team with determination and confidence. The team showed effort and ability throughout the season. The five starters on the team were Karen Wedemeyer, Eileen McIntyre, Ali Siegel, Karen Kelton and Dana Forbes, who led the team to a successful year.

STUDENT LIFE

Introducing the S.B.H.S. Marching Machine . . .

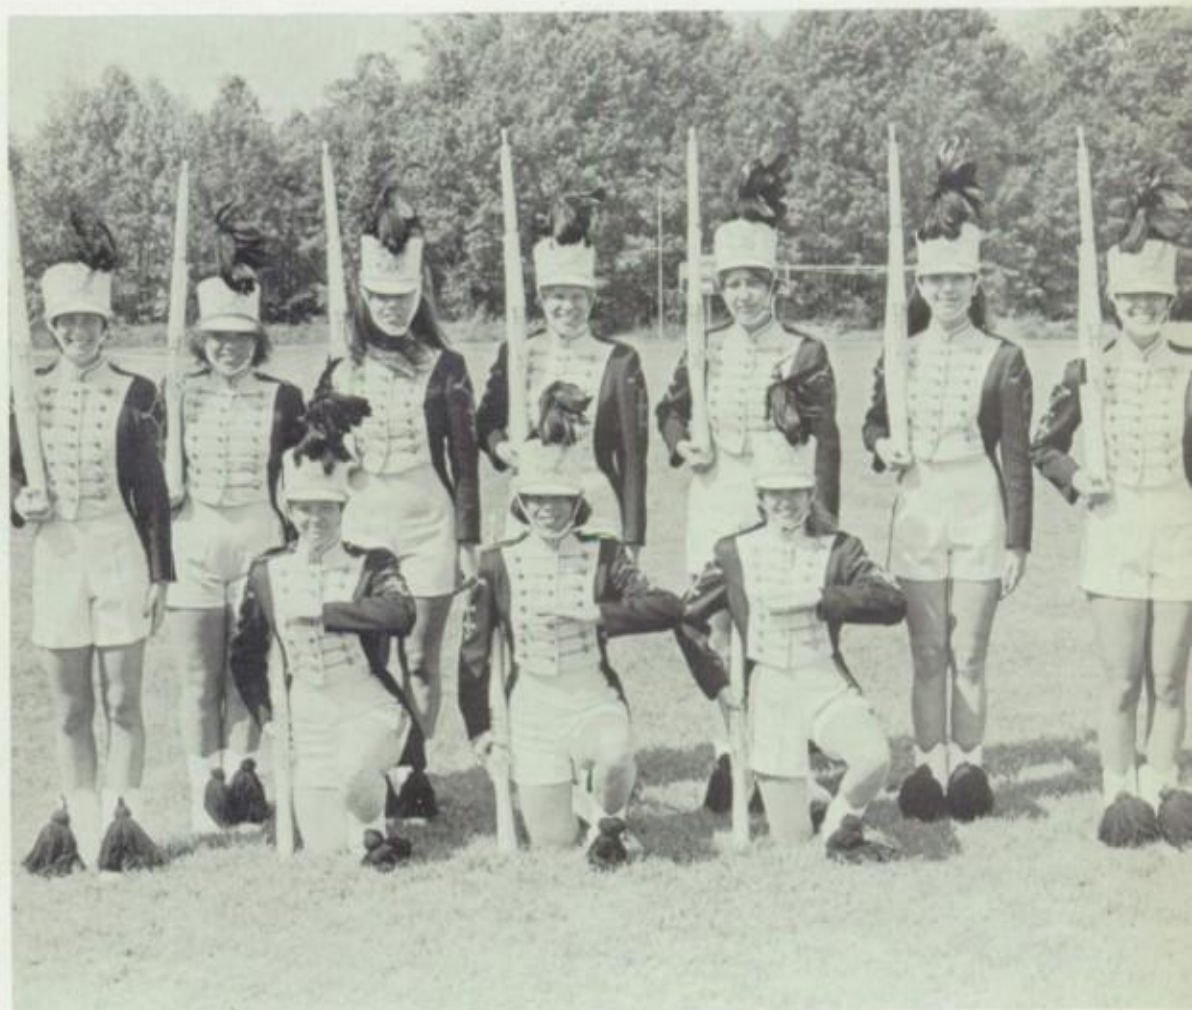

With a new band director comes a whole new band, and under the direction of Mr. John Wevers, South Brunswick High School had and will continue to have one of the best marching units in the state. Willingness to work hard, enthusiasm, and members who really care, are only some of the factors behind the incredible success of our band. This year the unit marched in parades and competitions in addition to the regular football games, and made such a fantastic impression that the compliments and invitations just naturally piled up! So next time you hear the beat of drums in the distance, watch out! You have only just begun to hear from the Viking Marching Machine!

This year's officers were: Michele Pierdinock — President, Mike Halbert — Vice President, Kevin Bellizio — Treasurer, and Adrienne Sauro — Secretary. Special credit also goes to the following section and rank leaders for a job well done: Tom Cramer, Dave Kaplan, Steve Gons, Phil Engel, Andrea Shuss, Erol Tammerman, Jamie Gill, David Labeda, Nancy McCallum and Kathi Nutter.

As much a part of the Marching Band as the instrumentalists, the girl squads add color and spirit to the unit. Leading off the list is the Color Guard (below). Guarding our banners and flag proudly, the squad and the drummers led the pre-game activities at every home football game. The Color Guard also twirled their guns with enough speed and accuracy to make even John Wayne jealous.

DEAR JEFF,
 Wow! The first page
 to sign your yearbook
 What an honor!! I'm so glad
 I don't have to say good-bye to a
 cause I know we'll see each other a
 Rutgers game that me and Patti almost won (I
 guess I still owe you) and all the ridiculous days in
 Topics! Take care of yourself this summer, and if you
 pass me on the street, how about stopping instead of just
 love,
 Laurie
 P.S. What did I know
 last year, I was only
 a stupid Junior! (Know
 what I mean?)
 S.P.S.
 Rutgers #1

(l to r) FRONT: Dorise White, Sandy Cardenas, Theresa Mastandino, Toby Rosenfeld (Co-Captain), Elizabeth Mangiaracina, Shirley Juston, and Laurie Walden. BACK: Roberta Buser, Lorraine Cosby, and Karen Mugele. NOT PICTURED: Wendy Robbins and Roxanne Stanley (Captain).

The Flag Twirlers made their own flags this year and really shined on the field. By making up their own twirls and steps and using some tricky movements the squad acquired a touch of class they never had before.

(l to r) Regina Fowler, Mary Tseng, Annie Mercado, Carol Smith, Michele Amster, Karen Habiak, Nancy Fraser, Paula Sade, Sue Bianchi (Captain), Liza Bianchi (Co-Captain), Kathy Klem, Mary-Ellen McGrath (Squad Leader), Gail Wolff, Rosanne DiLorenzo (Squad leader), Tracy Fernandez, Carrie Ticson, Andrea Bazel (Squad Leader), and Cecelia Kneip. NOT PICTURED: Amy Chapnick (Rank and squad leader), Judy Levitan, and Sue Mugele.

Our biggest squad, the Drill Team, was composed of mostly new members this year. Due to the great musical and artistic talents of Captain Sue Bianchi and her sister, Co-Captain Liza, the Drill Team made up their own routines and steps, and was the first squad to be featured in a halftime show. This was only the second year of pom-poms instead of boards, and the squad gets better every year.

(l to r) Laura Weber (Co-Captain), Tricia Zinsmeister, Karen Wedemeyer, Belinda Paterson, Val Bonfilio (Captain).

The twirling squad was small in size but large in spirit this year. Led faithfully by Val Bonfilio, they worked hard to put on a dazzling show every time. At the end of the season the Twirlers were featured in the song "Holly Holy."

(l to r) Lisa Smith (Captain), Aline Schwetje, Monica Devito, Ann Morris, Beth Froelich, Linda Thompson (Co-Captain). NOT PICTURED: Debbie Shwartz.

With their flags raised high, the Lancers added bright color to the Marching Machine. Though every member was new to the squad this year, each worked out her own routines and steps just like the old-timers. Advisors to this year's girl squads were Myra Campbell and Evelyn Carter.

S-P-I-R-I-T, We've Got Spirit!

Spirit is what cheerleading is all about. Cheerleaders promote spirit with every cheer they give, with every box of candy they sell, and with every pep rally they lead.

This year's advisors were Sonia Yurcison, Susan Gardner, and Karen Cholla. This year's Varsity captain for football cheerleading was Peggy Frawley. The squad consisted of only two other seniors — Cheryl Evans and Dawn Primka.

The unusually large number of juniors on the squad, Dawn Romano, Stephanie Pappas, Jennifer Talarick, Janet Huthansel, Cathy Merrow, and Jill Hunkele, really did a good job.

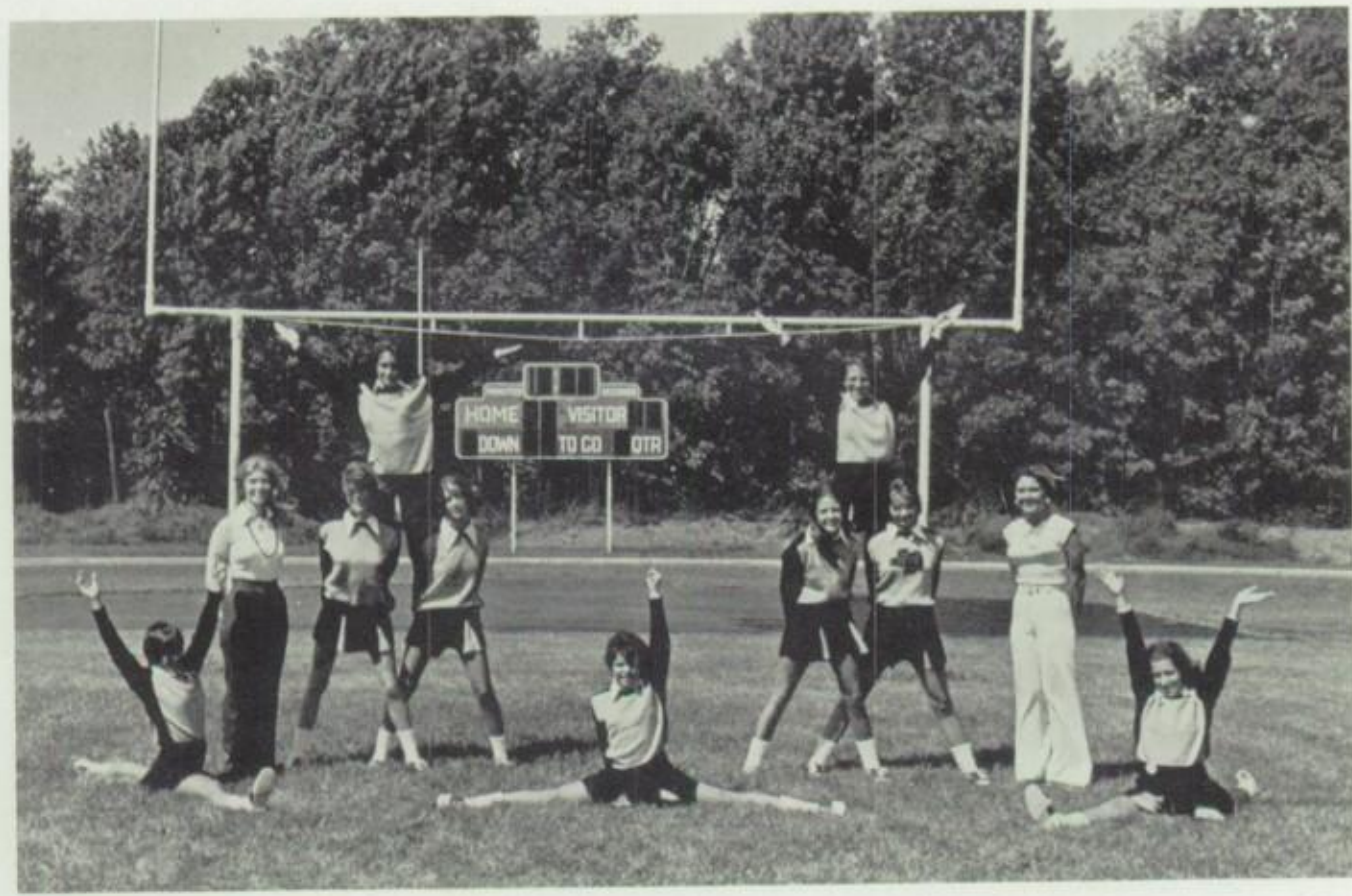

Jeff,
 like the name
 good fuckin'
 who ever you do
 and keep partying
 see ya at the parties
 Take Care
 Dawn

This year's J.V. squad, after much shuffling around, finally got it all together with the talents and efforts of: Leslea Moffit (Captain), Ilise Yohay (Co-Captain), Karen Russo, Karen Kuthroff, Shari Hopkins, Lori Fraser, Barbara Spector, Gay VonSpreckleson, and Tracey Simmons. Dawn Romano, though pictured here as the J.V. Captain, eventually cheered her way up to the Varsity Squad.

(Below) A welcome addition to the cheerleading units this year were some very gifted Freshmen: Joyce Varga (Captain), Michelle Tamasco (Co-Captain), Patty McKiddy, Linda Nally, Erica Gindraux, Mary D'Agostino, Sharri Cleffi, Peggy Simmons, and Janet Ilnicki. These girls made the Freshman football team feel inspired at every home game.

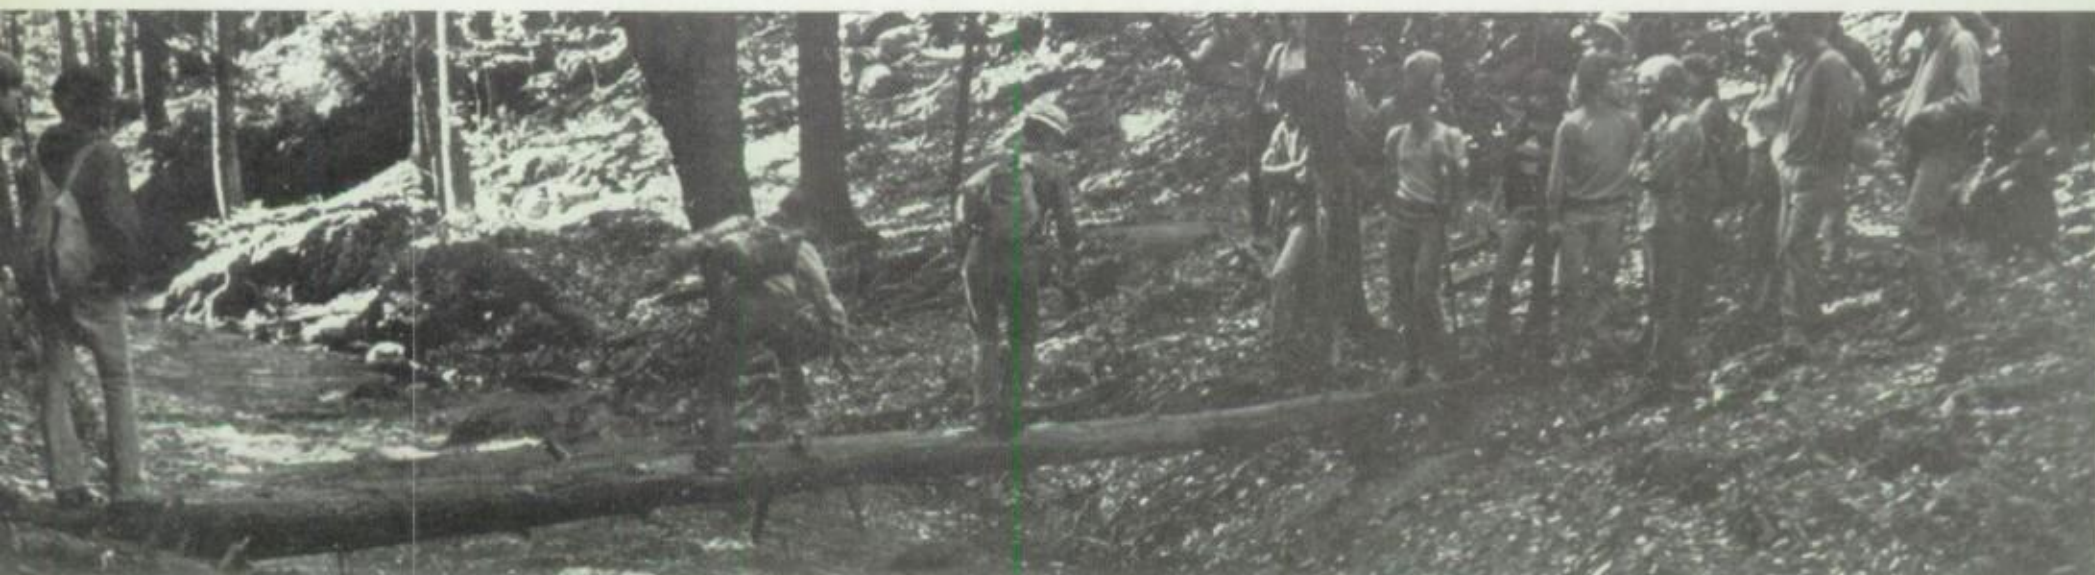

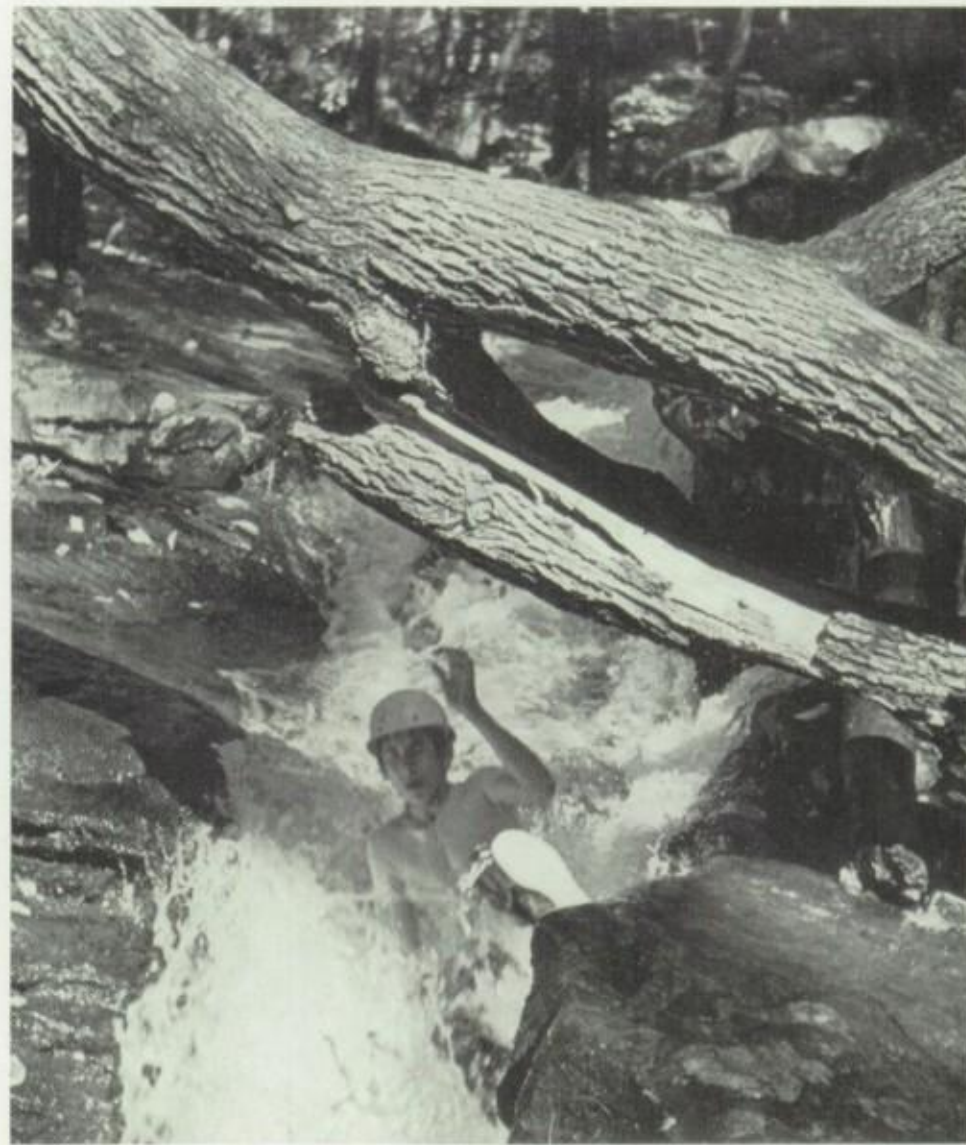

Snow Bound

Every Thursday during the winter, SBHS buzzed with the sound of: "think snow"! Vikings love to ski, and this year the Ski Club had one of the largest memberships of all SBHS clubs once again. There's something about those trips to Great Gorge and Vernon Valley that South Brunswick High School just can't resist!

Skiing their way to the head of the club this year were: Joe O'Brien (President), Jim Galvano (Vice-President), Dave McClure (Treasurer), and Val Bonfilio (Secretary).

Costa's Crew

The Outdoor Club is the activity for any nature and adventure lover. Each month the group enjoys hiking, caving, hang gliding, and rafting in New Jersey and all the bordering states. Their dedicated advisors (who are always willing to stop at McDonalds) are, as always, Angelo Costa and Dennis Sabo, and the "leaders of the pack" this year are as follows: Matt Coffey (President), Judy Hook (Treasurer), Janet Kroeper (Corresponding Secretary), and Diane Smith (Recording Secretary).

NHS

Membership in the National Honor Society is a reward for academic excellence. Every year, Juniors and Seniors who qualify are nominated by the faculty and selected on the basis of merit.

Once inducted, the members participate in fund raising activities such as bake sales and dances, enjoy pizza parties and socializing, and arrange scholarships for non-Honor Society members. This year's National

Honor Society officers were: Doug Behrend (President), Sam Geller (Vice-President), Karen Burkert (Treasurer), and Jill Whitehead (Secretary).

Is This How Richard Nixon Started?

Every morning this year, the Institute for Political and Legal Education met and worked over the elections, issues, and components of our current political system. This class, which is associated with others like it all over the state, has been developing for the past seven years. It is designed to use practical application of learning. In other words, students taking the class do not just sit around and listen to Mr. Brodtkin, they DO something.

Since 1976 was an election year, IPLE had the chance to hold a schoolwide mock election. Every homeroom became a state with its own electoral votes, and IPLE students campaigned diligently for their candidates. The election went over very well and the results were interesting. IPLE is also a service organization for our area and this year they polled the community on recent issues and held Candidates Nights to introduce the candidates for office from our township.

The group's activities during half of the school year were geared towards Model Congress, which was held in Atlantic City. Here the participating students, acting as senators and representatives, wrote bills and learned parliamentary procedure in a realistic congressional atmosphere.

All year the IPLE students showed hard work and lots of unity, due partly to the efforts of their well-loved teacher, Dennis Brodtkin.

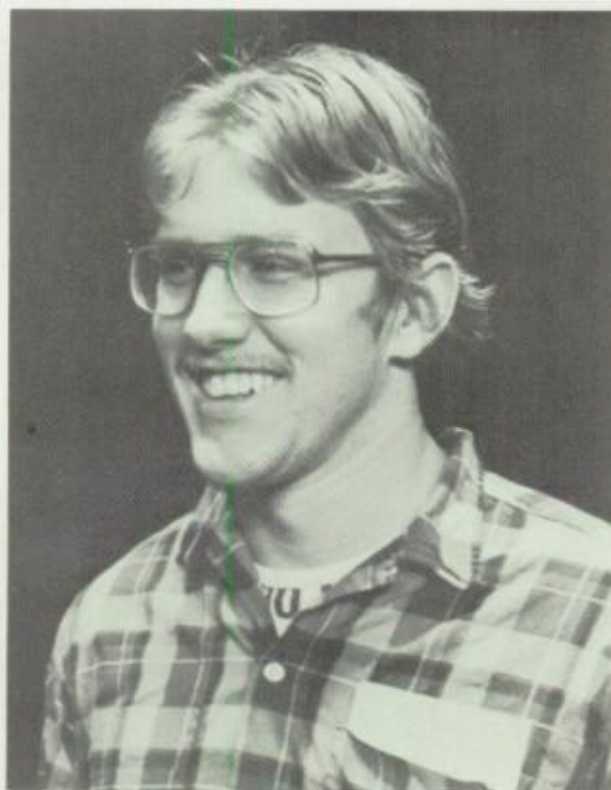

Matt Wacker

Mark Espenscheid

Mark Deardon

Half the population of the school is ready to go to California after talking to Carrie Harper and Kathleen Kramer, our exchange students from the Golden State. South Brunswick High School really got into the American Field Service exchange program this year with students going to and coming from all over the world. Mark Espenscheid travelled to Chile, Matt Wacker spent the year in England, Mark Deardon arrived here from Australia, and Jennifer Eikenberry and Jan Seiss went out west to Oregon and California, respectively.

The function of AFS is to help broaden knowledge of foreign countries and to give students a chance to experience lifestyles different from their own. Anyone can join the club, and applicants for foreign exchange are chosen through a screening process.

The AFS advisor is Mrs. Lynch, and the club is headed this year by: Laurie Nelson (President), Mike Halbert (Vice-President), Anjali Dravid (Secretary), Eden Stern (Treasurer), and Andrea Shuss (Historian).

California, Here We Come

On arrival in Chile, Mark was interviewed about life at S.B.H.S. and in the United States.

La Société Honoraire de Français

Parlez-vous français? If you do, and if you have maintained a high B average up till French III and are at least a Junior, then you may be invited to join the French Honor Society. This year the club visited French restaurants and museums, sponsored a trip to France, and sent the top three students from each grade level to participate in a national French contest in New York.

The society began this year with a beautiful candle-lighting ceremony and induction for new members. Throughout the year there was one activity and at least one meeting per month. (All the meetings were conducted in French of course!) At the end of the year, graduating students received Merit Certificates.

The French Honor Society owes much of its success to its advisor, Mrs. Gloria Wiernik. This year's officers were: Andrea Shuss (President), Anjali Dravid (Vice-President), Toby Rosenfeld (Secretary), and Amal Fahmi (Treasurer).

Society members say "Frommage" for Mr. Clark's camera.

Señores Y Señoritas:

If you like Spanish, and are just a LITTLE bit crazy, then you'll feel right at home in the Spanish Club! The object of the club is to learn and present to others aspects of the Spanish culture. The club does this and more, and has fun doing it too!

This year's events included a Spanish Festival at which the members provided their own entertainment and Spanish food. Other activities included fund raisers and the annual trip to El Burrito. The club met every two weeks, and Dr. Altagracia Fox was the advisor. But the real success of the club lies in the spirit and closeness of its members, and lots of shenanigans!

This year's officers were: Amy London (President), Lisa Bair (Vice-President), Shari Hopkins (Secretary), Lori Fraser (Treasurer), and Eugene Parker (Bouncer).

Only thirteen of the twenty-five members of the Spanish Club were lucky enough not to be on CIPED the day this picture was taken.

Music Creates . . .

The magic of music was created once again this year by the talented members of the Concert Band. The Christmas, Pops, and Spring Concerts brought us beautiful music by the orchestra, ensembles, and Jazz Band.

The concert season was also filled with daily practice sessions, elementary school and community concerts, field trips to see the New York Philharmonic Orchestra and a Broadway play, and a band member exchange held with North Port High School of Long Island.

John Wevers, our new band director, can be proud of his first year at South Brunswick. If the reactions of the audiences can be trusted, the new S.B.H.S. Concert Band has been a great success.

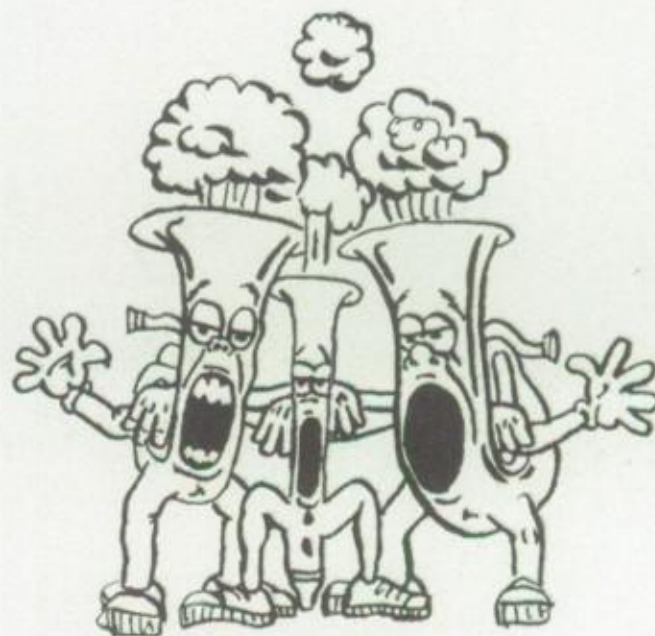

. . . Magic

The beautiful voices of our Chorus brought the sound of music to South Brunswick High School. The Chorus continued the tradition of having a Girls Ensemble, Advanced Ensemble and Barbershop Quartet this year to add to the audience's delight; solo performances were, as usual, a highlight of every concert.

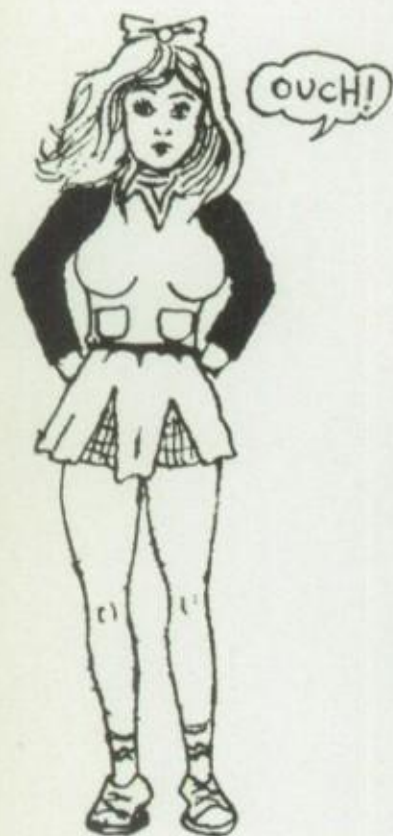

Once again our vocalists participated in Regional and All State Chorus try-outs. They performed at events ranging from informal recitals to a Choral Festival which also involved North Brunswick, Franklin, and Hillsborough high schools.

This year's officers were: Donna Paterson (President), Ellen Kaplan (Vice-President), Judy Lamson (Treasurer), Mary Tseng (Corresponding Secretary), and Mary McVicar (Recording Secretary).

Get

Rowdy

A South Brunswick High School basketball game is always rowdy, and holding up the fans' enthusiasm and the team's spirit are the cheerleaders. Win or lose, the cheerleaders give a voice to the crowd's feelings and never let a good play or hard-earned field goal go by unrewarded.

This year's Varsity cheerleading squad was on the young side, with Peggy Frawley (Captain) being the only senior. The juniors and sophomores on the squad were: Jennifer Talarick (Co-Captain), Jill Hunkele, Stephanie Pappas, Janet Huthansel, Laurie Milne, Karen Kuthroff, Lori Fraser, Shari Hopkins, and Tracey Simmons.

The Junior Varsity cheerleaders never lost their spirit and backed their guys till the end. This year's Captain was Stacey Mierish, Co-Captain was Ilise Yohay, and the rest of the squad were: Andrea Bazel, Liza Bianchi, Heidi Bohler, Aileen Schwetje, Sandy Schenk, Lisa Smith, Linda Thompson, Gay VonSpreckleson, and Tricia Zinsmeister.

Our newest additions to basketball cheerleading, the girls on the Freshman squad, kept up the Viking beat with: Janet Illnicki (Captain), Mindy Kanarish (Co-Captain), Mary D'Agostino, Rose D'Ammoto, Shari Cleffi, Ericka Gindraux, Kathy Kakeda, Patti McKiddie, Linda Nally, Michele Tamasco, and Joyce Varga.

Unlimited Few

The Unlimited Few was started in 1974 when a group of black girls met informally to discuss current issues, meet new people, and take trips. Under the direction of Dolly Craig it grew to become an official club for black students interested in their heritage and the performing arts. The club has two main goals: to enlighten and inform the community of the contributions of black men and women; and to raise money for minority students who have ability and interest in the performing arts.

The photos on the next page show the Unlimited Few performing for the Concerned Black Parents during Black History Week. The program contained everything from poetry reading to jazz dance.

Let's Book

The heroes below often go unnoticed during the course of the school day. These are the people who check out your books, service the audio visual equipment and get it to your class on time, and produce material for you on subjects like career development and CIPED. If you've ever spent an hour in the library hopelessly searching out the history of the fly for your biology teacher or the latest book review on *THE YOUNG LIONS* for your English class, you know how valuable these people can be. Here in this space we give them our thanks for a job well done.

Unfortunately, all members of the audio visual and library crew could not be present for this picture. The complete list of members is: Torre Wegener, Steve Gaisert, Robert Osterman, Doug Diamond, Duane Lowenstein, Mike Miller, Ola Fahmi, Quinton Van Liew, Kurt Morris, Maureen Blumberg, and Don Weber (MCC Student).

Our Future Writers of America

The Eidolon literary and art staff met every week this year and worked towards putting out their annual magazine. The magazine contains poetry, short-stories, artwork, and anything else that S.B.H.S. students submit throughout the year. Eidolon raises money by selling patrons to the community.

The literary staff, shown above, is led by Robin Paley, editor-in-chief. The art staff is composed of Stacey Mierish (Editor), Sue Medell, Amy London, Judi Turkheimer, Justine Boccanera, and Kathy Chrinko.

$$(24 \times 6^3 \div 463 \times 41)$$

The S.B.H.S. Math Team represents our school in the Central Jersey Mathematics League. Every month, math teams from all over the region meet and battle over a one hour, ten problem math test difficult enough to make your spine tingle. At the end of the year prizes are awarded to the top three schools and the top ten students with the best overall scores. Last year South Brunswick finished ninth out of twenty-five, and this year they are expected to do even better.

Mu Alpha Theta is the honor society of the mathematics department.

The requirements for becoming a member are tough. A student must have completed Advanced Math, have an overall math and science grade of at least a "B," and have the math teachers' recommendations.

Founded in 1958 Mu Alpha Theta is sponsored by the Mathematics Association of America. OUR charter has only been in existence since 1972, and our mathematics program and teachers had to qualify to start it. Throughout the year, speakers come in to talk to members about career interests and job opportunities, and this year Mu Alpha Theta did bulletin boards to spread math interest. An induction ceremony and dinner was held in March for this year's new members.

Stirrin' Up Fun

If you like to cook, or just love to eat, you'll find a happy home in the Gourmet Club. Once a month the club meets and creates delectable dinners and mouth-watering treats. Usually the meals have an international flair, but favorites of the year are the vegetarian dinner and the farewell barbecue for the Seniors.

The master chefs for this year's Gourmet Club were: Sam Brown (President), Donna Celantano (Vice-President), Anjali Dravid (Treasurer), and Jan Levy (Secretary).

Congress in Session

This year Homecoming, the First Annual Alumni Get-Together, the Gong Show, Back to School Night, various bonfires, apples for the teachers, and music in the hallways all came to you via the Student Council. Hard work and a great deal of effort make the

Student Council tick, and growing involvement and awareness of the council have broadened its range of activities and power. The Student Council is for everyone;

ANYONE can get involved and all are invited to.

Highpoints of the year included frequent dances and the Continuing Education Night as well as Executive Board rap sessions at Marc Held's house. The Student Council, though impartial worked hard during the strike to get us back in school, and a great turnout of students helped them protest. Check the Student Council ad in the back of the book for a complete list of this year's Student Council Executive Board.

From Us . . . To You

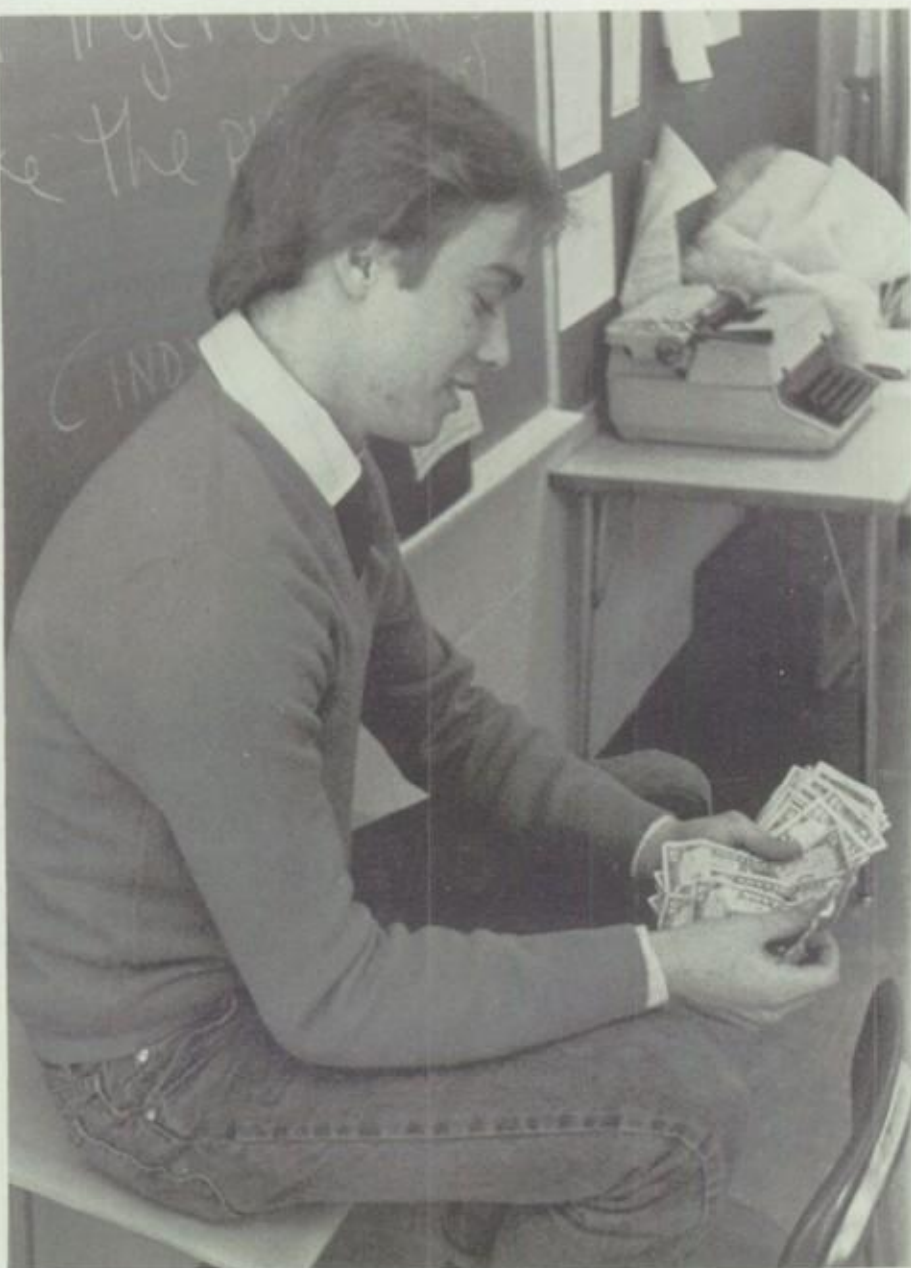

"A yearbook is something to be treasured forever." That's what we, the Valhalla staff of 1977, were told when we undertook the huge task of creating this book for you. Between the strike, various illnesses, the use of only one cropper, a lack of supplies, and the continuous misplacing of the job stamp, it is truly a miraculous feat we have accomplished (modesty, modesty)! Seriously folks, we hope that this book WILL be something you will treasure, a lasting memento of this fantastic S.B.H.S. school year, 1976-1977!

The yearbook staff would like to thank everyone who helped us get it together: Thomas Queenan and Churchill Clark, our often grayhaired advisors, the photographers who put up with our constant demands, the companies and groups that supported us by buying ads, everyone who sold or bought boosters and yearbooks, and our favorite artist, Tom Rizkovsky, without whom sections of the book might have put you to sleep. To all of you we wish happiness and luck in the future.

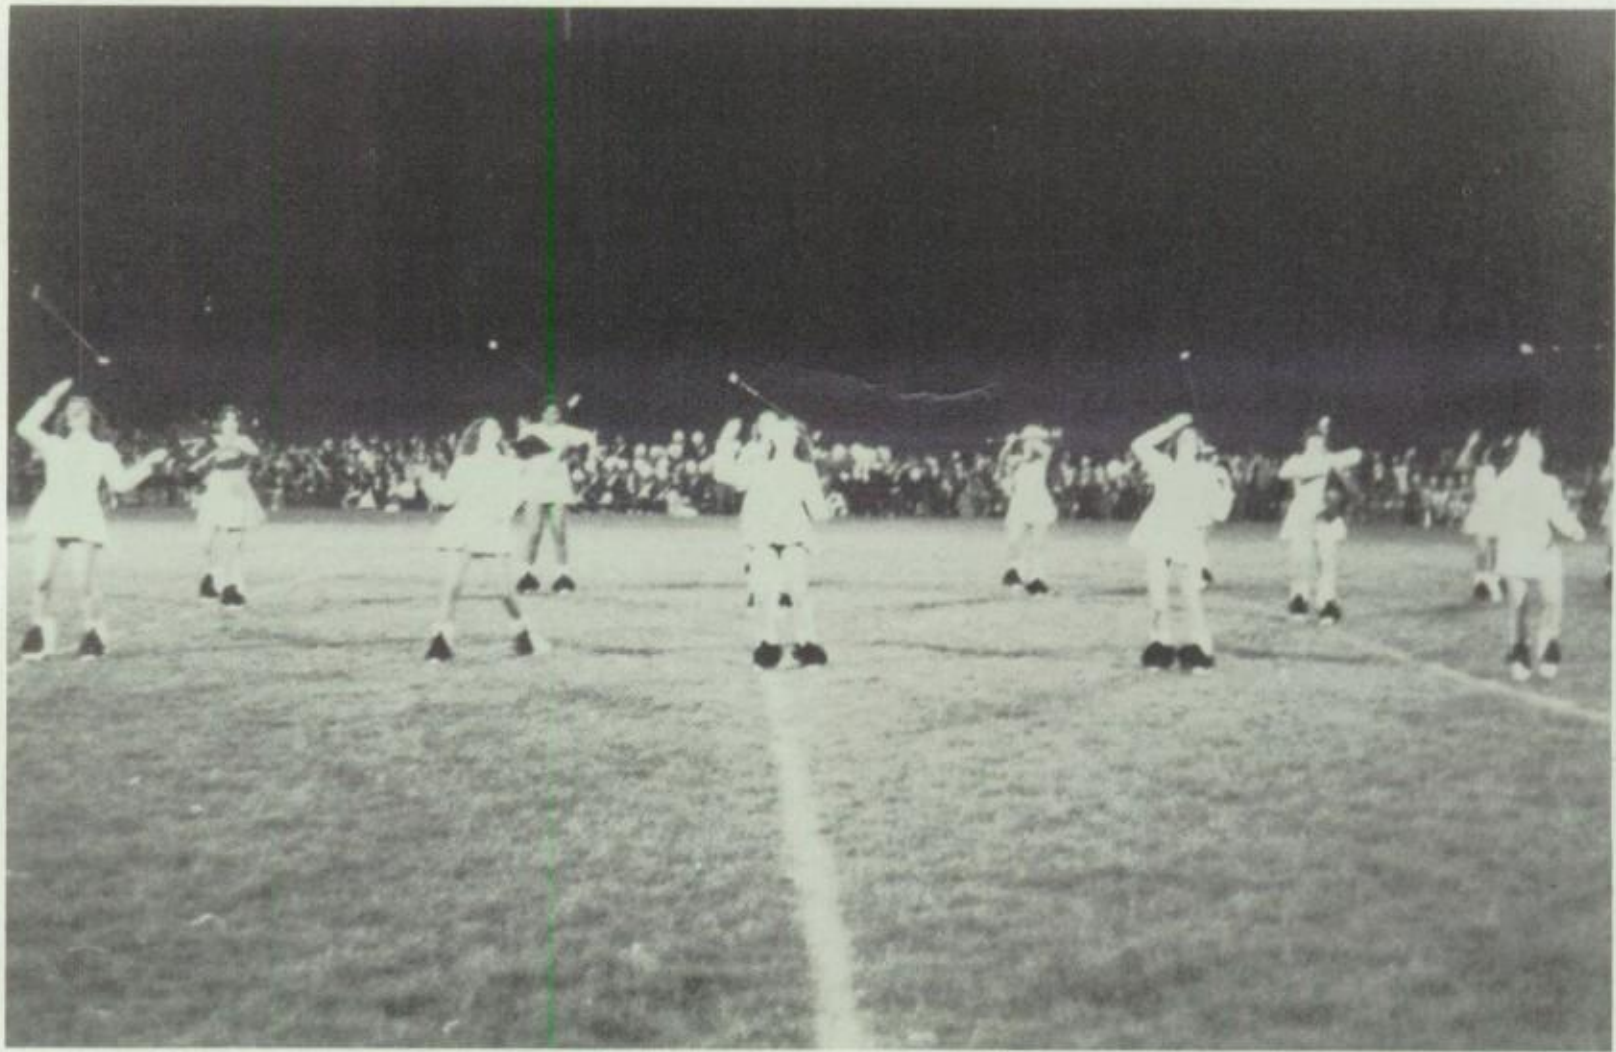

Love,

Valhalla '77

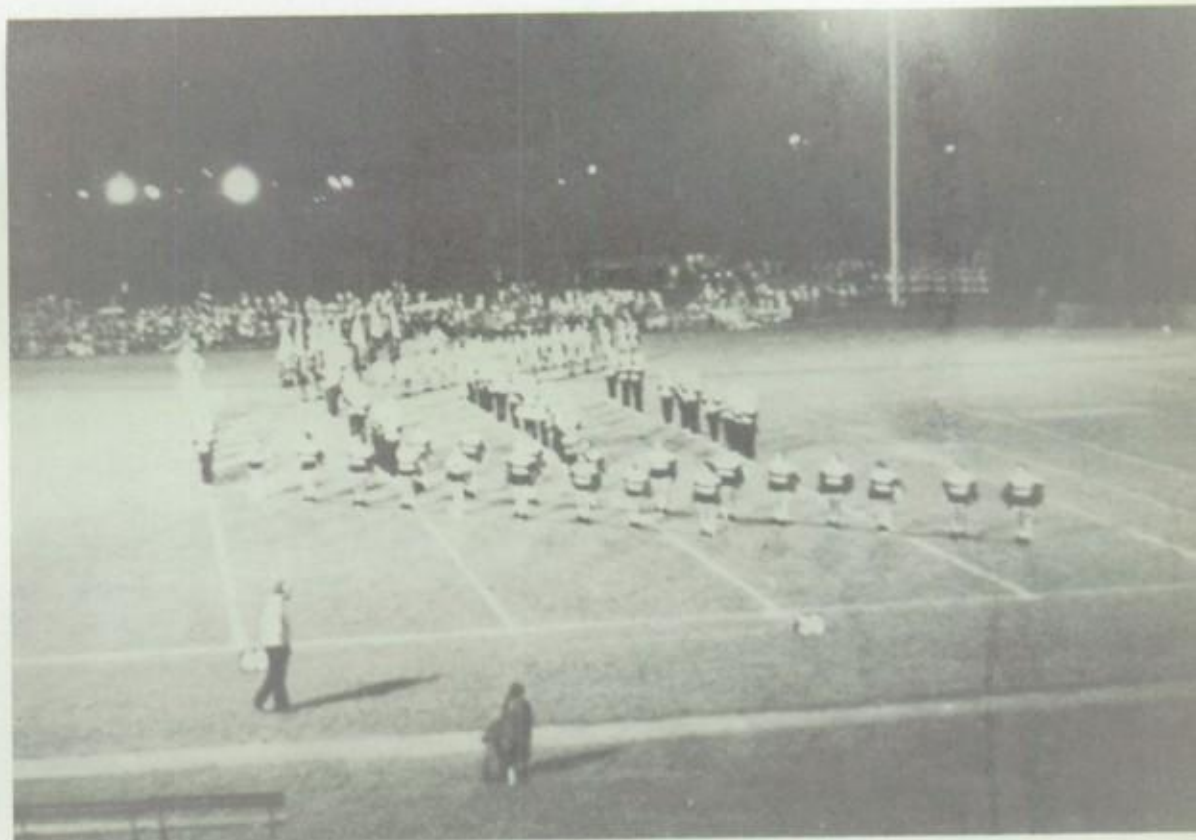

The Editors: (l,r) Laurie Walden (Activities), Judy Varga (Editor-in-Chief), Grace Pascocelle (Ads), Karen Voorhees (Business), Cindy Walker (Seniors), Kathy Salvatore (Sports), Liz Mangiaracina (Boosters), Laurie Nelson (Sales), and Toby Rosenfeld (Faculty). NOT PICTURED: Dawn Primka (Underclassmen) and Barbara Spector (Events).

Marching Machine Scores at Band Festival

South Brunswick was one of twelve bands which participated in the Home News Band Festival on October 12. The band and girls squads performed their half-time show which included the songs FANFARE, GOT TO GET YOU INTO MY LIFE, SWEET CAROLINE and A HARD DAYS NIGHT. While all the bands played AMERICA THE BEAUTIFUL, Michele Pierdinock, president of the band, accepted our trophy. As a result of the large cheering section in the stands, the South Brunswick High School Marching Machine was definitely a success.

VAL BONFILIO

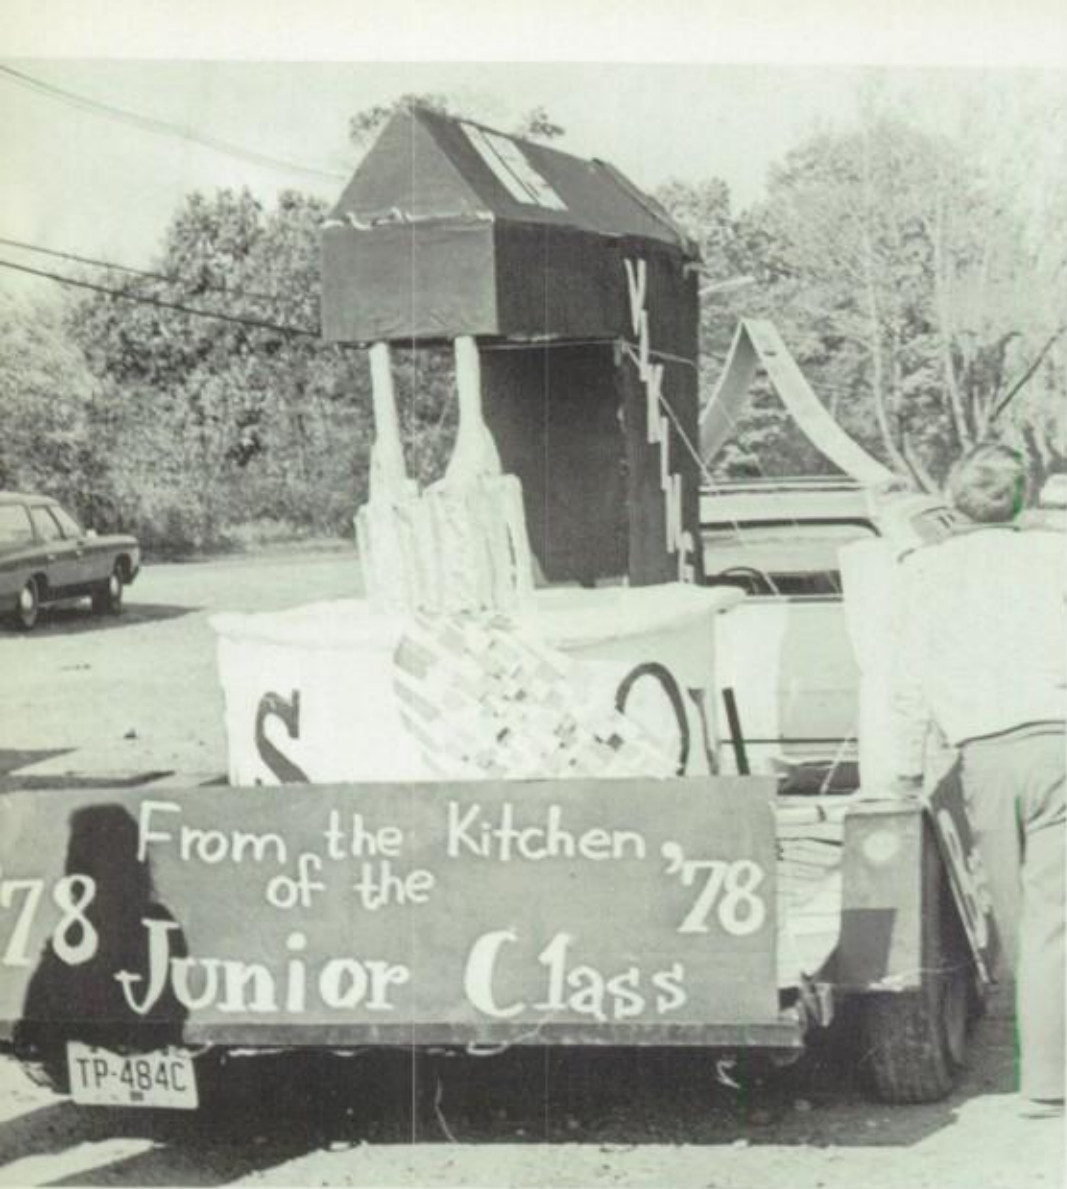

BETH APPLEBY

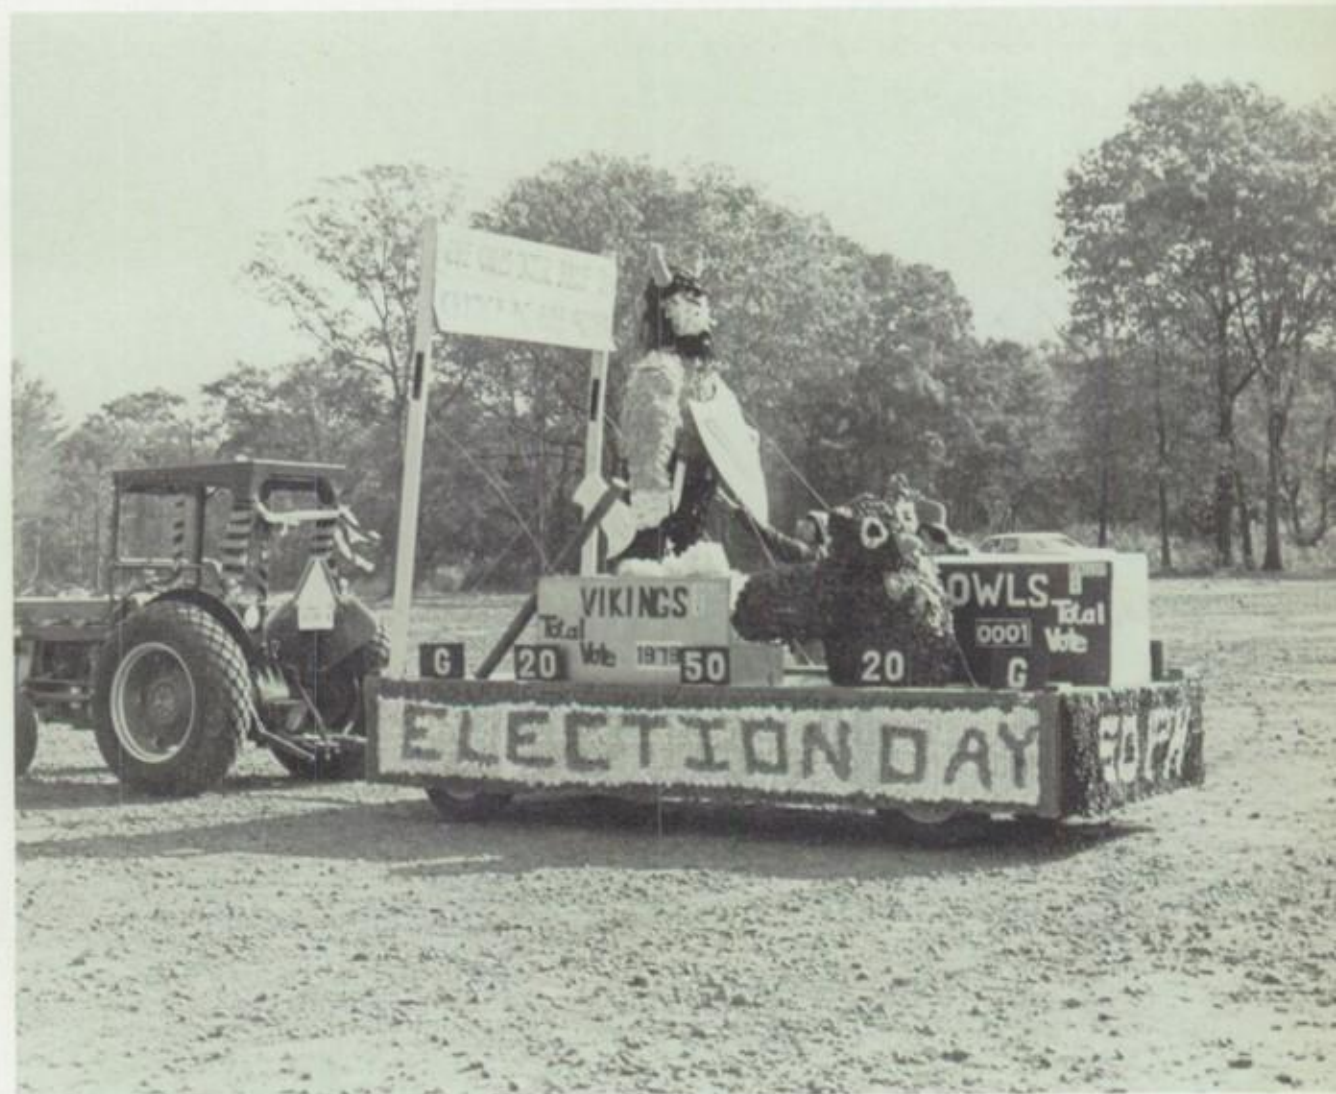

1976 Queen Val Bonfilio

Despite the freezing cold day, hundreds of people came to the annual Homecoming festivities, held on October 23. The day started out with the parade down New Road, then on to the game, which the spirit never died even though we lost the game. During halftime, last year's Queen Beth Appleby, crowned Val Bonfilio our 1976 Queen. The sophomores took first place in the float competition. The court and their escorts, (pictured left) were: Corinne Cornish and Tony Perez; Pegi Frawley and Greg Berger; Karen Voorhees and Jimmy Galano; Dawn Primka and Pete Van Zandt; and Val Bonfilio and Matt Moran. Beth Appleby was escorted by Teddy Gaillard.

The day was topped off by the Homecoming dance held in the High School Gym.

Winning Float — Class of '79.

MARGALIT . . .

Margalit and her touring company came from Los Angeles on a special two week program. The company is a member of the Dance Component of the National Endowment for the Arts in School Programs. This means that they must excel not only in their dancing, but in their ability to work with students as well. Margalit herself directs and is the choreographer. The final outcome of their stay here was their fine performance of Cinderella.

"Applause began when the curtain opened and it was uphill all the way," wrote Mr. Richard Kaye to the S.B.H.S. Music Department, after their holiday concert on December 22.

The concert band, advanced ensemble choir, a special brass section, and solos made up the production.

The band's special selection was "Estampie," while the chorus featured "Ceremony of Carols."

Solo's were sung by Ellen Kaplan, Denise Cure, and Donna Patterson.

Bill McCallum had a trumpet solo.

Much of the success is attributed to Mr. John Wevers, the band director, and Ms. Susan Parisi, director of the chorus.

Tis the Season for
Holiday Spirit . . .

Let's Have a Cheer . . .

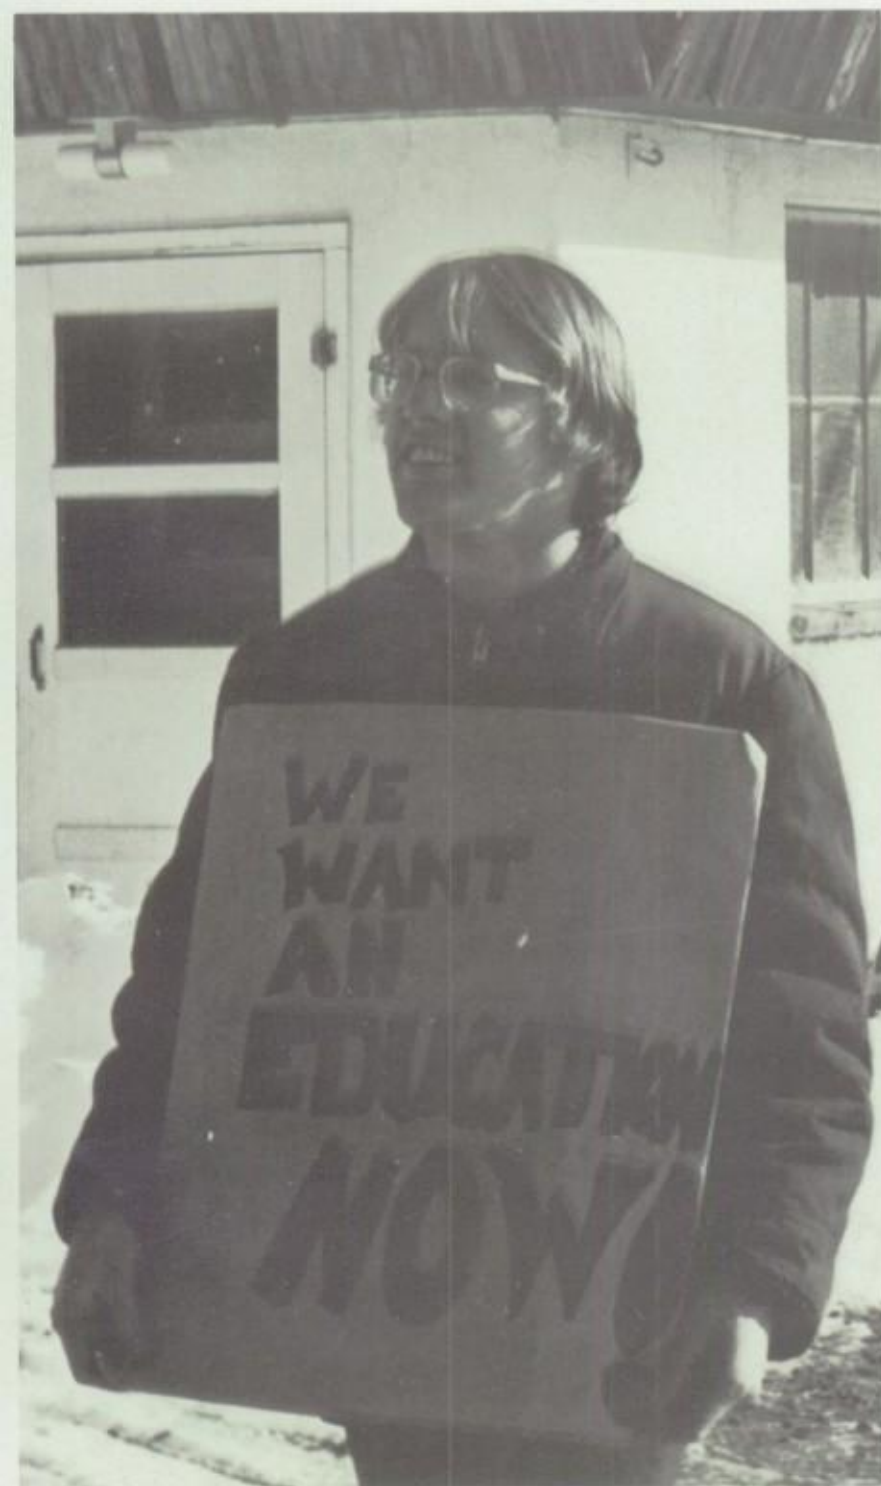

PEP RALLY

Raising the spirits and giving support to the Winter sports teams of South Brunswick H.S. was what the Indoor Pep Rally of December 17, 1976 was about. The Varsity, Junior Varsity, and Freshman cheerleaders all helped pep up the student body with their individually performed cheers. The winter sports athletes were all introduced by their coaches. These sports included Varsity and Junior Varsity boys basketball, Varsity and Junior Varsity girls basketball, the boys and girls winter track team, and the Varsity and Junior Varsity wrestlers. The students' and faculty's enthusiasm for the teams at this pep rally never dwindled; it continues throughout the entire winter sports season.

On December 10 and 11th, the South Brunswick Players presented THE CRUCIBLE. As always, the school play was a great success. This success was due to the great amount of time and effort put in by Mr. Churchill Clark, who directed the play. The lead characters were Bob Orlikoff as John Proctor, Andrea Shuss as Abigail Williams, Claire Cookson as Elizabeth Proctor, and Erol Tammerman as Rev. Parris.

A photograph of a prison corridor. On the left, there is a wall with a large window covered in vertical metal bars. Sunlight streams through the bars, creating a series of strong, dark, vertical shadows on the light-colored floor. To the right of the window is a closed door with a small handle. The ceiling is dark with several long, fluorescent light fixtures. The overall atmosphere is somber and institutional.

Do You Know Where You're

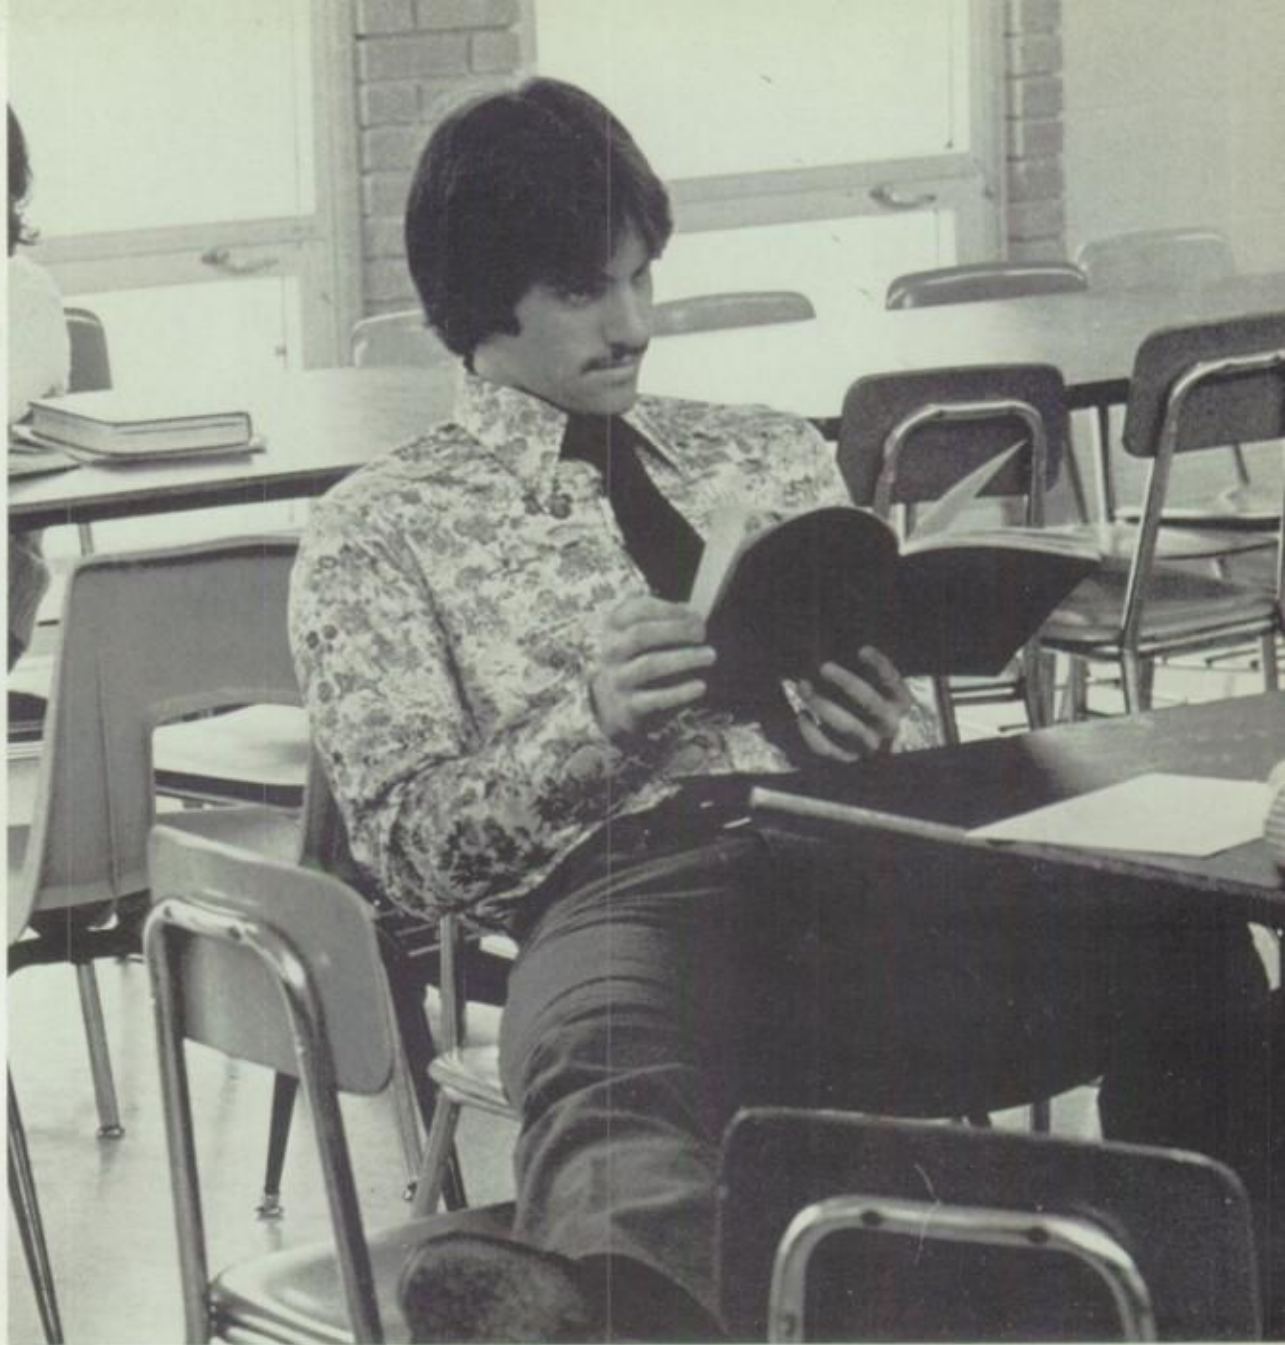

Going To?

SENIORS

We've Made It!

Dear Jeff,
You've been a
good friend
at me this year. You're one
of the few people who didn't bitch
in the yearbook about my section
on the Senior Year. Good luck after
graduation in all you do. See you
over the summer. Love,
Erin

It is now a time to look ahead, to reach beyond. There exists a fresh new realm in which to enter. While the class of 1977 has undertaken many worthwhile projects and they have conducted themselves admirably in these pursuits, it is the future with which they must primarily be concerned. The past, while certainly of importance, is now completed. In regard to this, some things which come rapidly to mind when thinking of the class of 1977 are: the class trip to Virginia (which was made possible by the enthusiasm of a dozen or so students); the fantastic junior prom; the various fund-raisers (some profitable, others not); the senior class gift; and the many members of our class who excelled in athletics, the arts, and academics.

My expectations for this class are quite high. I feel that among the various personalities and minds contained within the class of 1977, there exists a potential for greatness, whether it be in government, athletics, the arts, academics, or in business.

It is my fondest hope that this existing potential be realized and that the seniors of today of South Brunswick High School become the leaders of tomorrow's society.

Let not the pettiness and anger of the day dissuade you from your destiny. The striving for and the realization of one's life goals, and the experiences encountered along the way, is the route which ultimately leads to success in one's lifetime.

Jeffrey, to my
Best wishes.

Jeff, Congratulations on graduating from SBHS. It was uphill all the way, especially 6/5/77's history exam. Having been friends for over 10 years what can I say? See you in R.V. in the fall and maybe we can demonize. Best of luck in love and life.

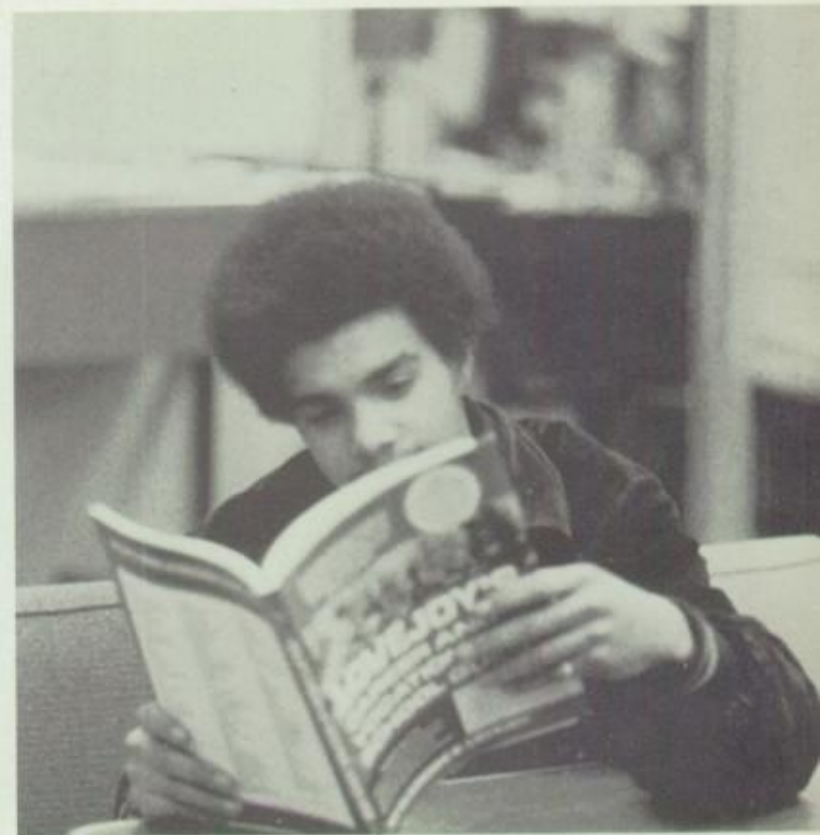

GRADUATION

An anxious goodbye
 To egotistical, over-eager heroes
 To insecure, inadequate actors
 To illiterate, inept sleepers
A gracious farewell
 To truly talented teachers
 Whose competence is ignored
 By the contented ignorant
A resentful escape
 From irresponsible instructors
 of monotony and disillusionment
Goodbye to the personality contest
 (Which some lost long ago)
 And to the many people who showed me
 How little it mattered
A regretful so long
 To a few choice friends
 To those I'd rather not forget
 But whom I must leave
 And live without
And so, ahead
 To readjustments and introductions
 To challenges and the chances
 I've awaited for many years
Goodbye, naive years
 Immature and painful times
 Juvenile escapades
 And hopeless infatuations
Come back to memory, all of it,
 In the decades to come.
But for now
Leave me
And allow me to start anew

— Joanie Stevenson

Do You Know Where You're Going To?

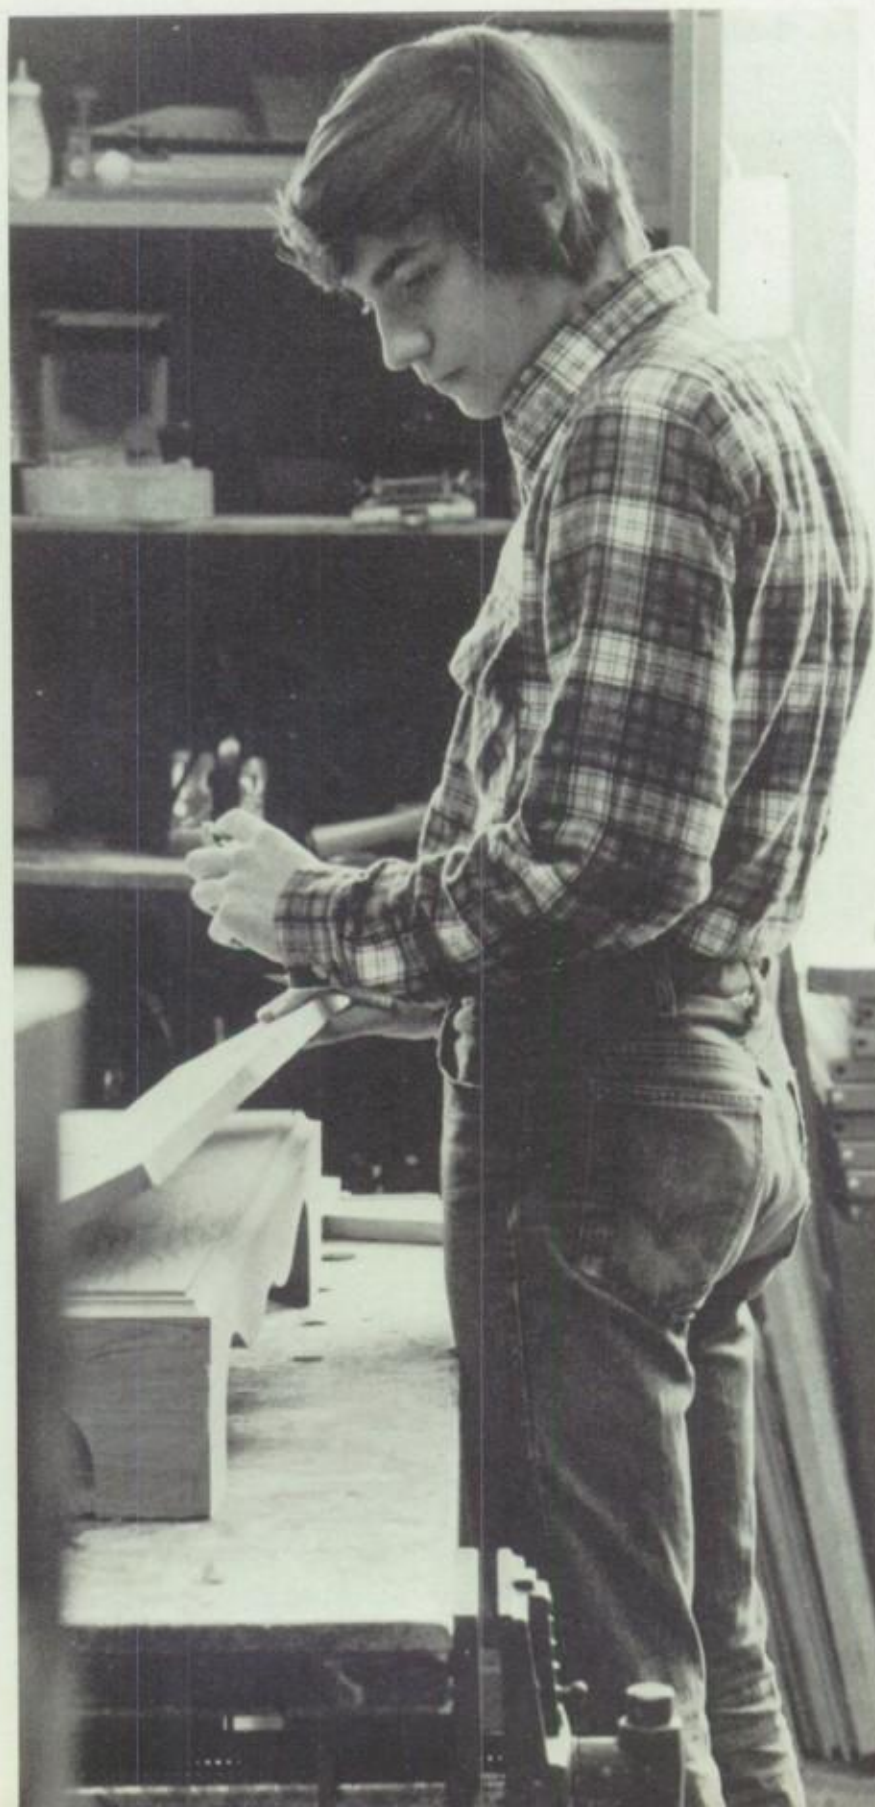

Jeff.
 I'm glad we became
 friends.
 "Excuse Me".
 Don't forget
 me and I
 hope to see
 you over the
 summer.
 Good luck
 in everything
 you do and
 with Debbie.
 Love ya,
 Kathy

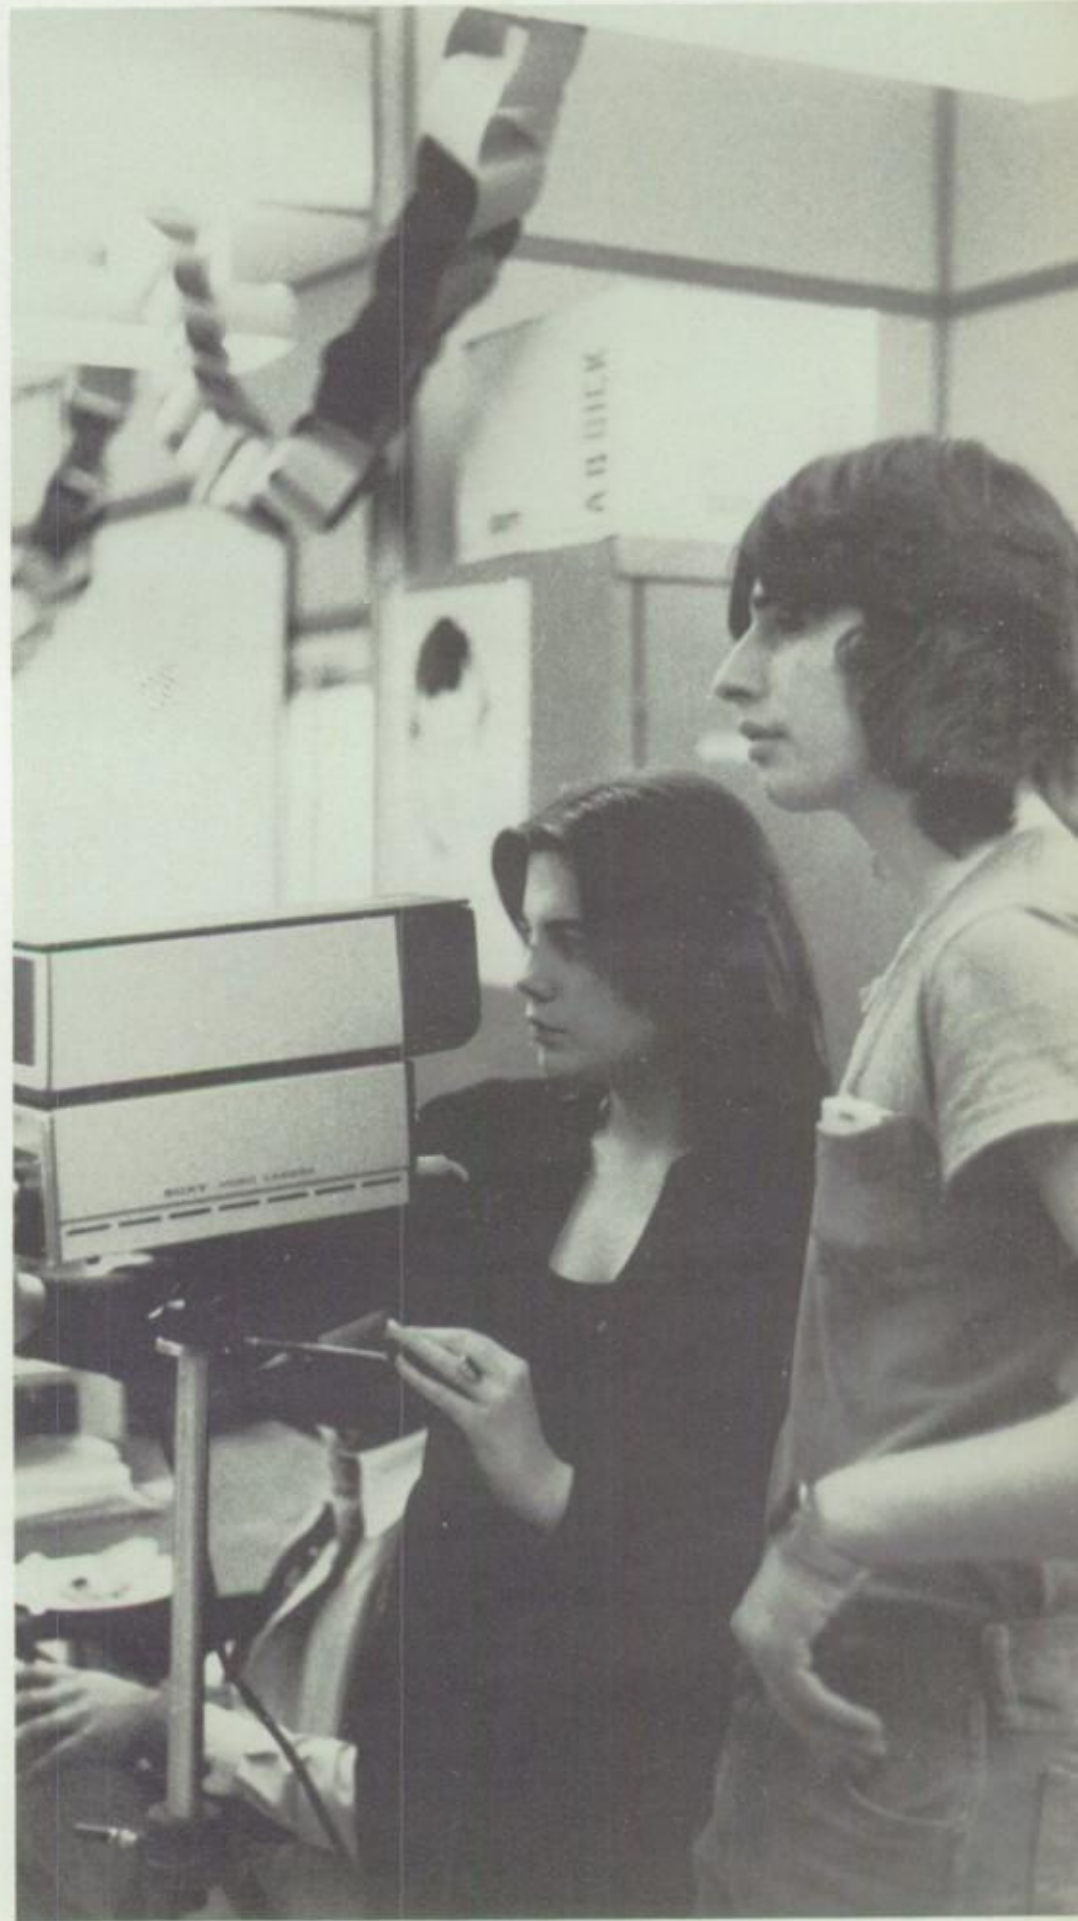

Do You Like the Things
That Life Is Showing You?

Where Are You
Going To?

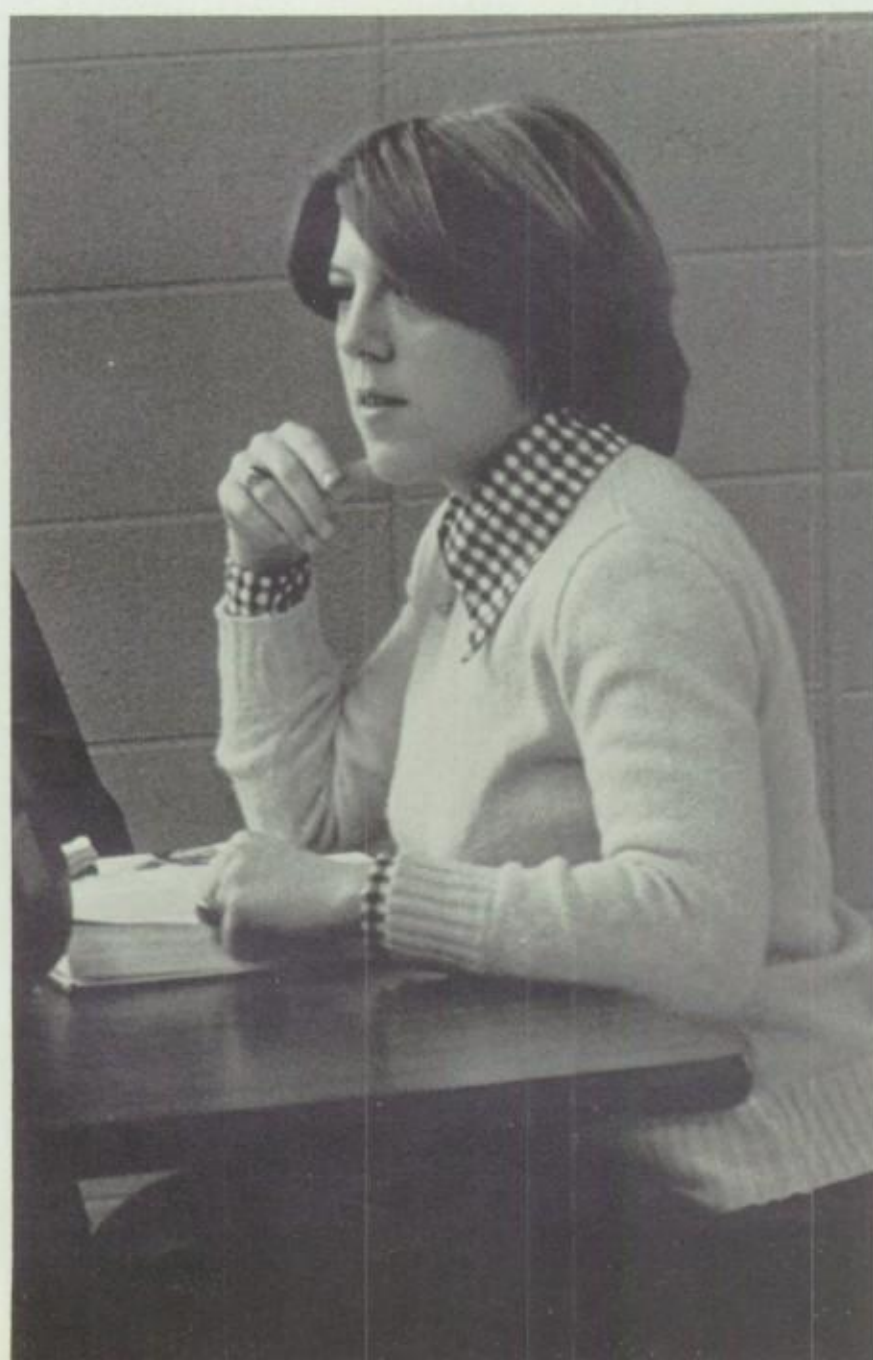

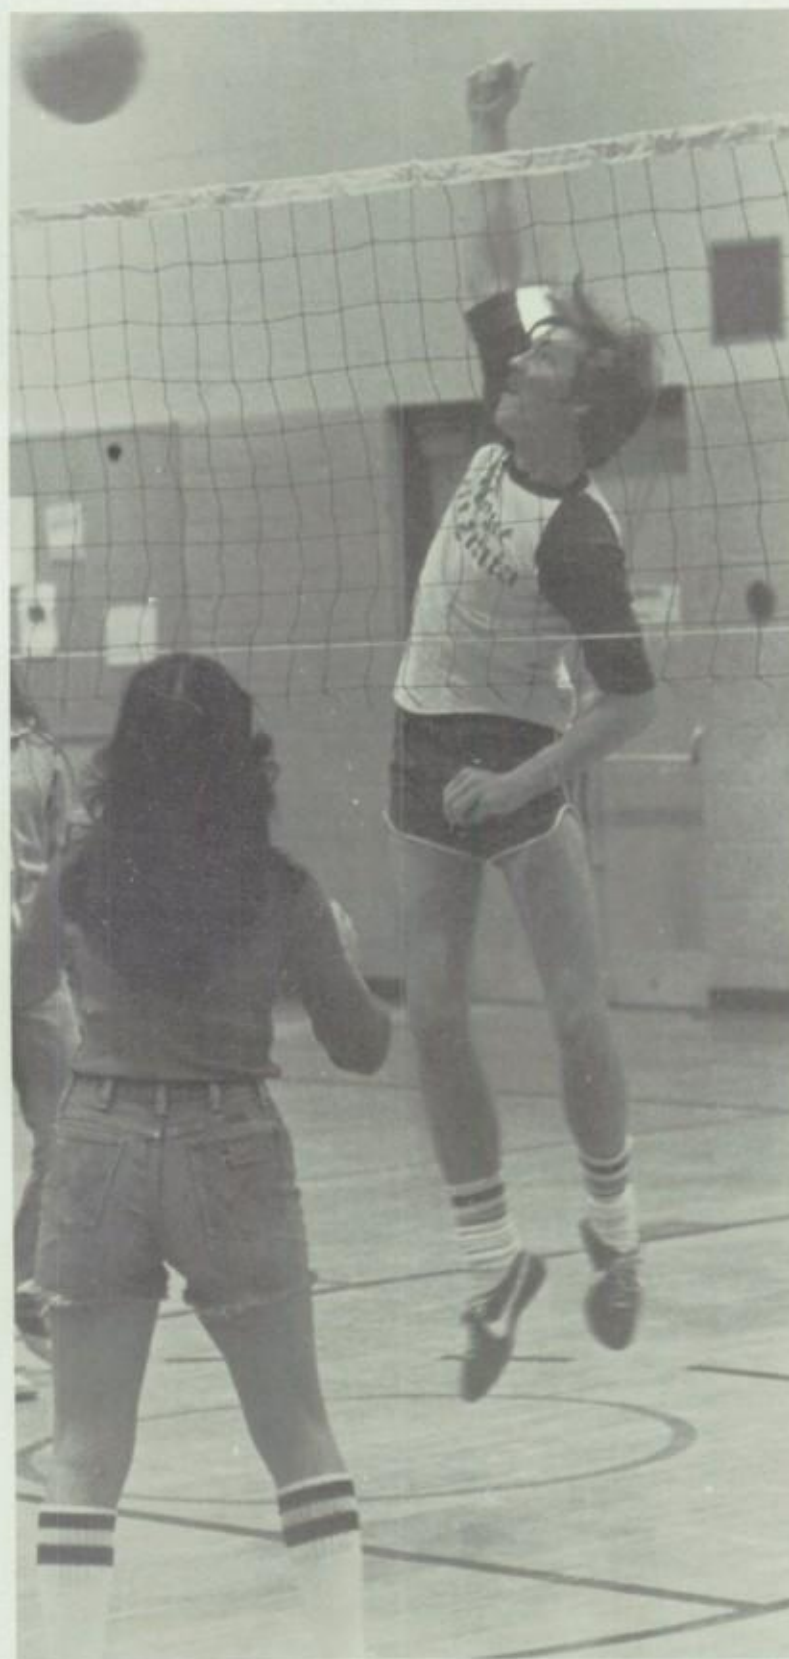

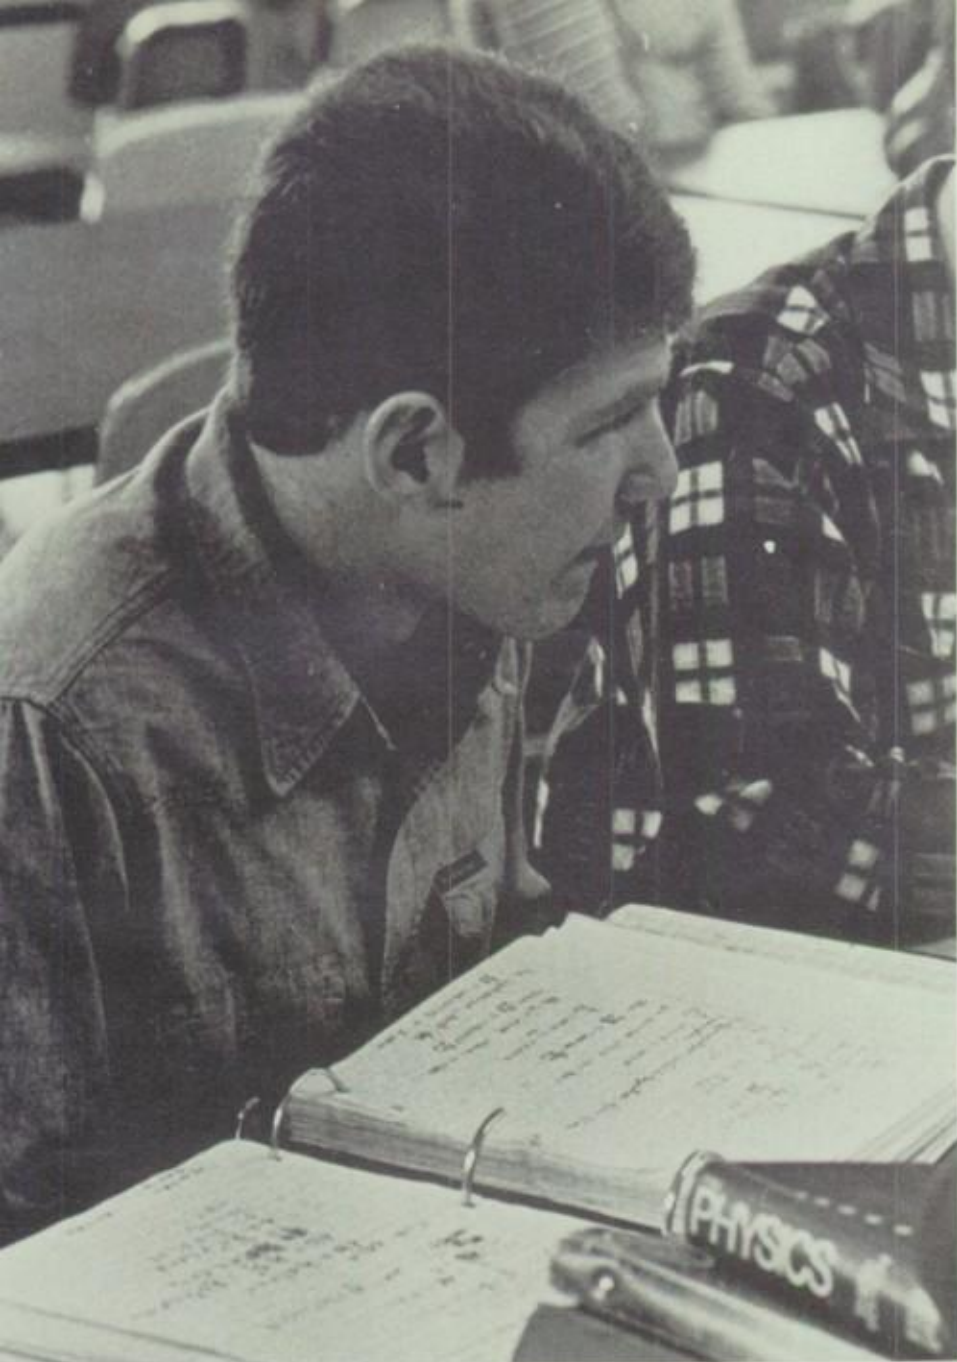

Do You Know?

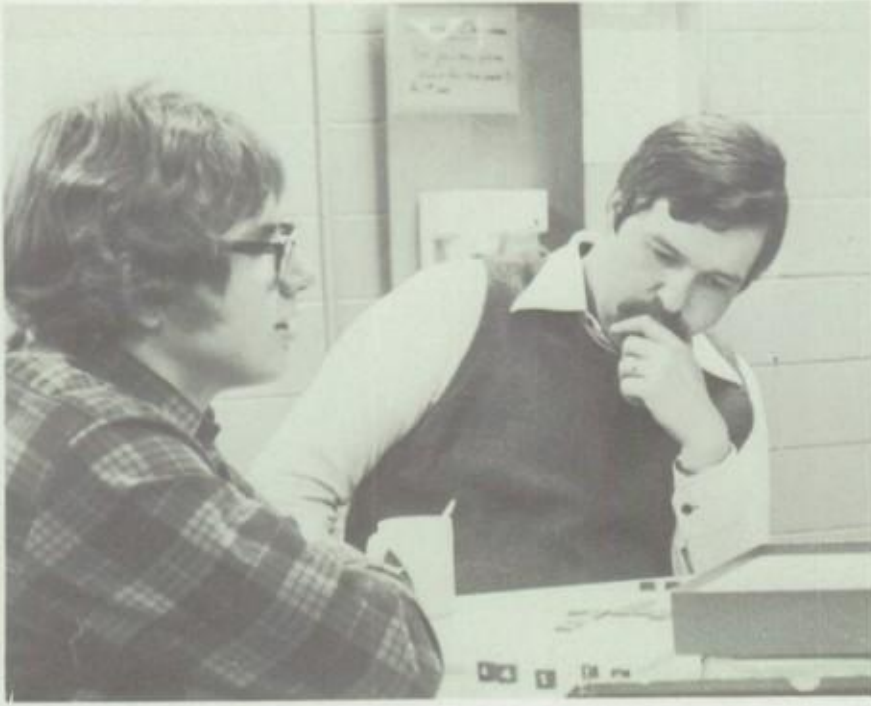

Do You Get What You're Hoping For?

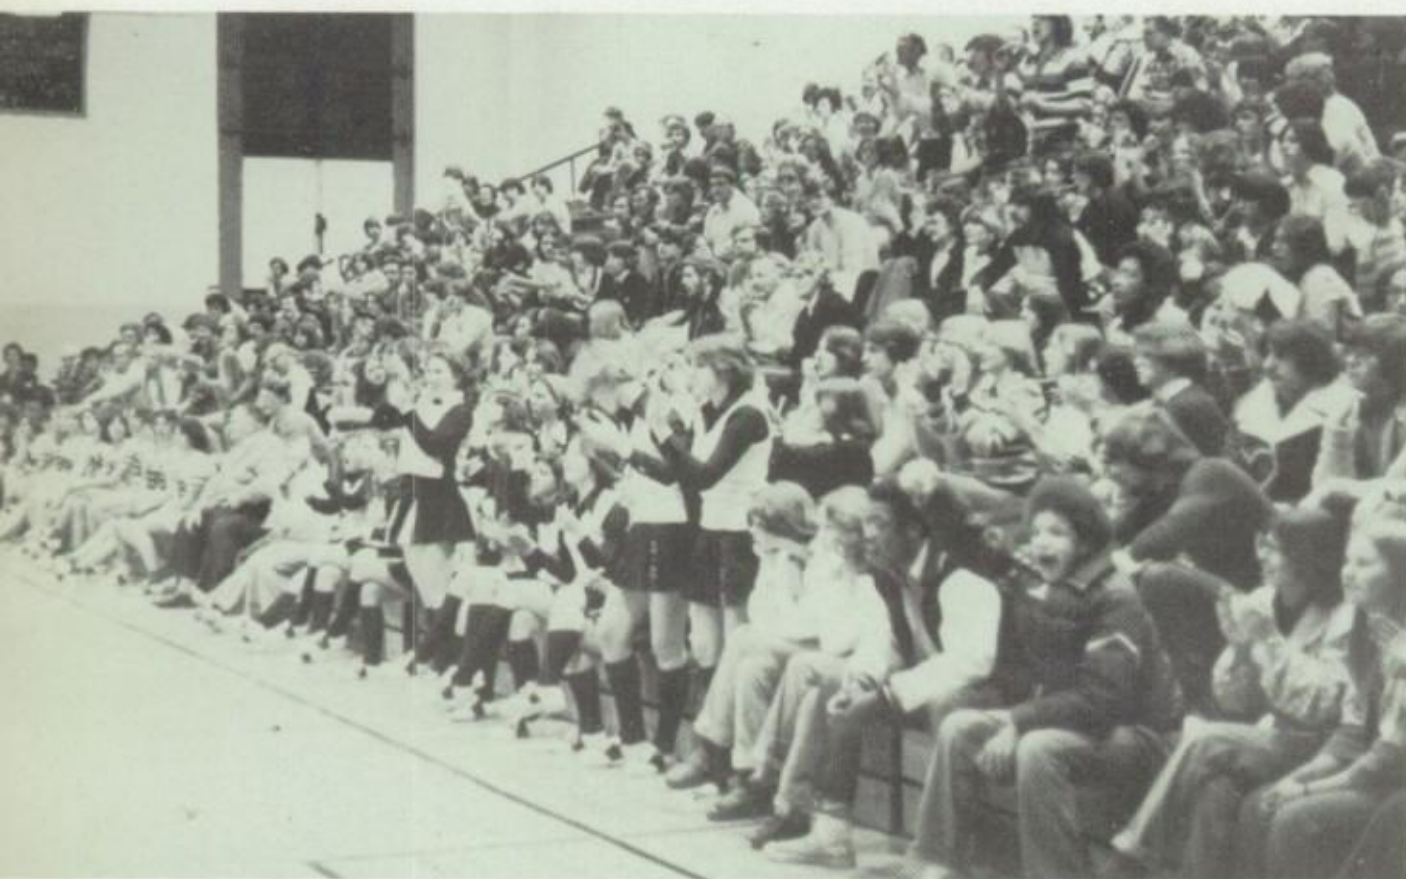

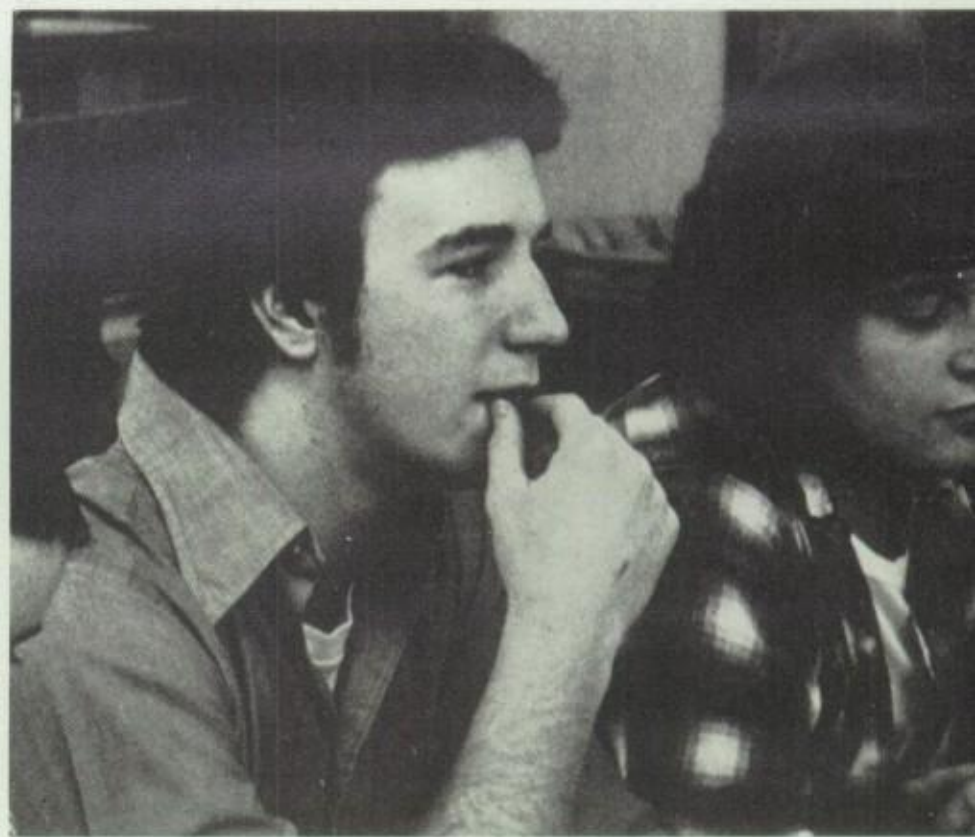

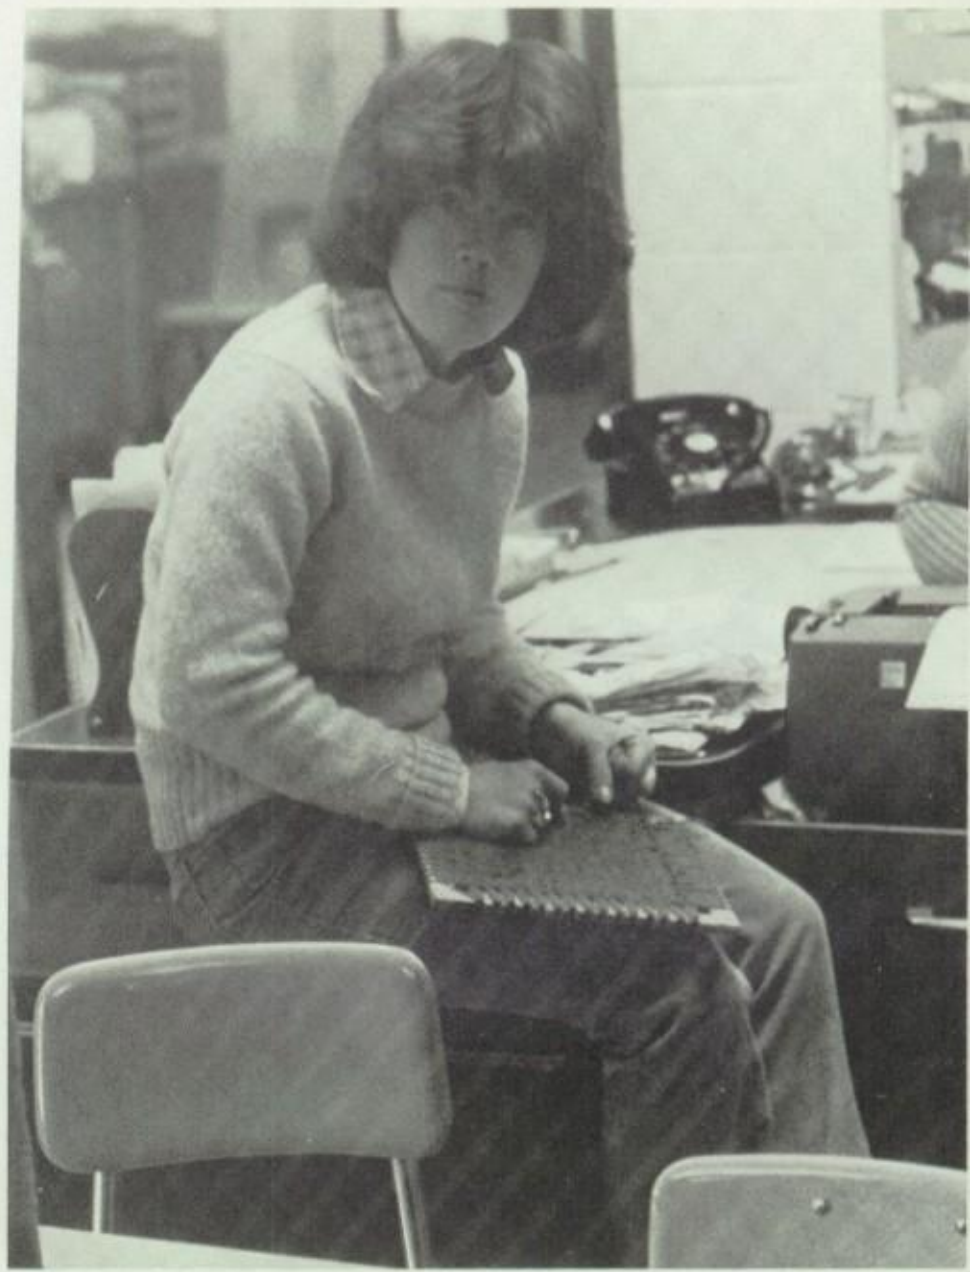

When You Look Behind You
There Are No Open Doors.

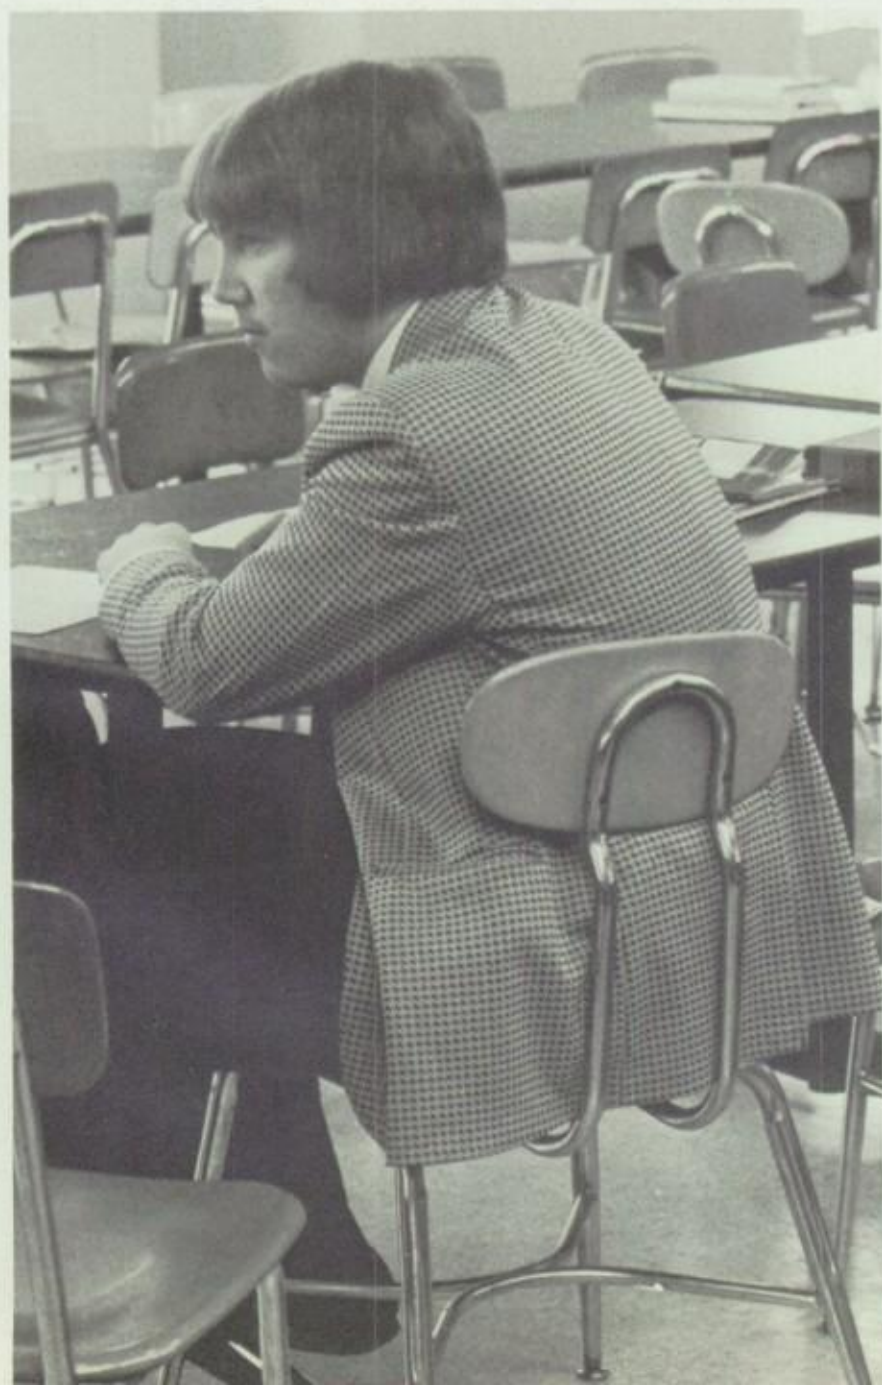

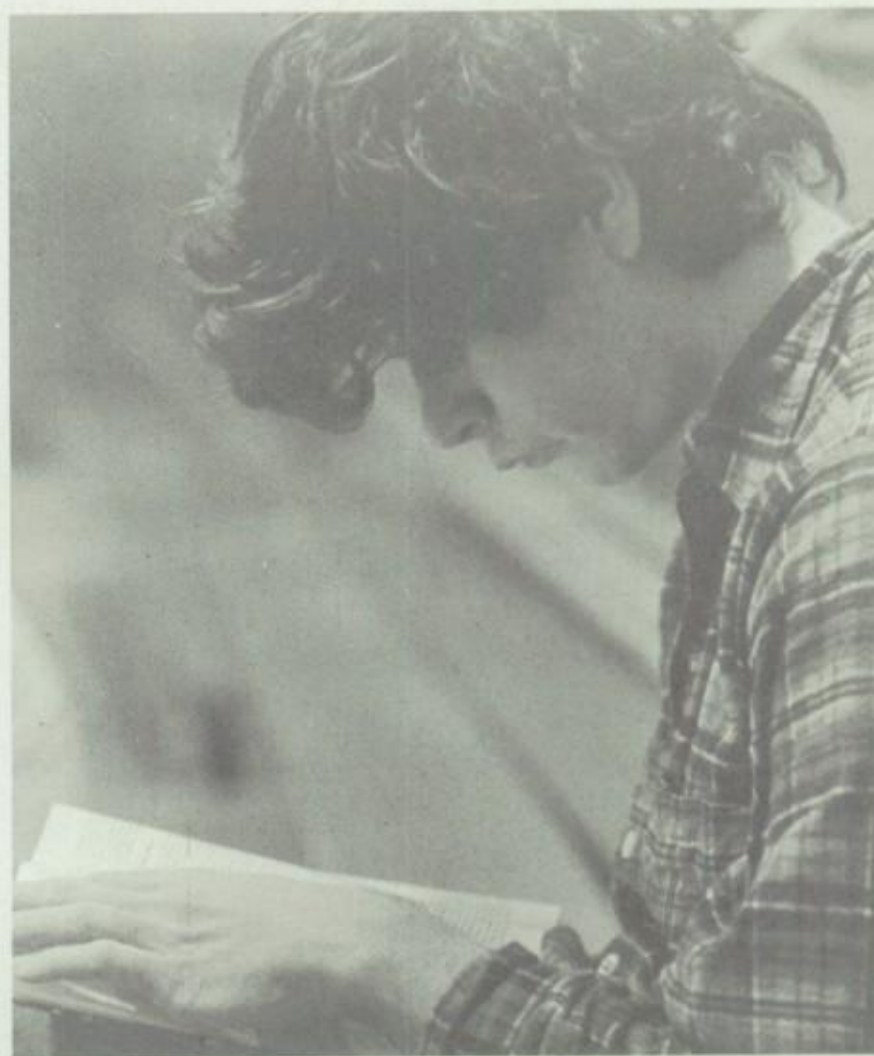

What Are You
Hoping For?

Do You Know?

Jeff

I'm really glad we got to
know each other this year.
You're a really fantastic
person. Don't forget
the good times, the pizza
dinner party, the cops?
Oh well, it's good. There's
see you over the summer

Love it!
Barbara

Jeffrey,
Hey love, ya know
these last few months
have been really great for
me. You have made me really
happy and I love you so
much I could have a relationship
with a guy so much I have
you for me. I wish that we
were always together. Remember
the beginning of last year. I
remember the prom, remember
my special first love and
remember the piano. Remember
being able to stay away from
my parents. Remember the
parents we went to. Remember
the teachers, or who ever
are around, or who ever
successful in college and
it. Also remember all the
things we did, will we be
in the world for your future.
You'll wait we be able to
keep about thinking of it
you know. Gets things to
you'll always keep things
you'll be my baby! - ah?
Remember? I love you,
forever
DEB

P.S. Have a good
summer and
take care!
P.S.S. Maybe I'm
amazed!

Lips
Although you
won't be hear any

Jeff,

Gosh, I feel like I
have known ya all my
life. It sure was nice
getting to meet you in
Virginia Beach at Howard
Johnsons. You are really
special to me. I mean you
probably think how could
I like you alot in just
2 days. Well it can happen
and it was just a one
night stand! Right. I had
a great time jumping on
your bed! I really want
to see you again. You have
those pretty brown eyes! I
love them! I love you too!

I really do! No kidding. Call me
please! You have to. I have to see
you again!

Lubs ya,
Melody Woodfin

P.S. Good luck
in everything
you do. Have fun
at college
